Here's how the Wide-Track Pontiac keeps pace with your stepped-up driving schedule!

Pontiac '61 is tuned and tailored to enliven the extra hours you spend in a car. Weight is trimmed to give you more action with less expense. Wider doors open farther to ease your getting in and out. There's more room inside. Outside, Pontiac has a more parkable, garageable size. You maneuver without effort, sit steady

and straight on curves and corners. This comes from the built-to-the-road stability of new Wide-Track. And Pontiac's famous V-8 performance lets you take city or turnpike travel with assurance.

Choose the car that has kept pace with the change in your driving habits. Inspect, drive, select the '61 Pontiac of your choice.

THE ONLY WIDE-TRACK CAR!
 Pontiac has the widest track of any car. Body width trimmed to reduce side swaying. More weight balanced between the wheels for sure-footed driving stability.
