

Ancient Rivals Battle; Lone Quintet Wins

By NEAL PENLAND

Coach Chuck Hudson's Lone Cardinals walloped the Heppner High Mustangs Tuesday night on the lone maple 77 to 50. This was the second meeting of these two teams and Lone won both games.

John Swanson and Francis Rea were the big guns for the lone offense with combination of 44 points.

Heppner was hampered by fouls throughout the game. In the final period, Heppner lost three of the starting five on fouls.

Ione opened the game with a full court press that stunned the Mustangs who were unable to break it. Ione scored 18 points in the first period and Heppner managed to get 9.

Mid-way in the second stanza, Ione went off the press enabling Heppner to get some plays set up and underway. Ione was still aggressive in this period and was getting and keeping control of the backboards.

At half-time, Ione had a 20 point lead over the Heppner team 36 to 20.

In the third period, Ione still had control of the game and was not in danger of Heppner catching up. Swanson and Rea teamed up for the majority of the Cardinal points as they put 19 more on the score boards and Heppner got 13.

In the final period Heppner lost Sonny Biddle, Larry Tibbles, and Ron Gray on fouls and Ione

lost Rea and Ron Crabtree. In this stanza, Ione had its hottest quarter of the game as they racked up 22 points and Heppner got 17. Swanson, Tom Martin and Wayne Hams were credited for the big fourth quarter play.

Sonny Biddle led Heppner with 14. Swanson had 23 and Rea 21 for Ione.

Friday night the Heppner Frosh will go to Ione to play the lone JV's and Saturday night Ione will go to Umatilla for a league game. Ione so far in league play is undefeated. Heppner has this weekend off.

Better Kitchen Storage To Be February Topic

"Better use of 'inner space' (waste space in kitchen storage areas) has many down-to-earth solutions," says Esther Kirmis, Morrow county extension agent, as she prepares to visit each extension unit in the county during the month of February.

The lesson is based on a new Oregon State College extension bulletin, authored by Bernice Strawn, OSC Extension Home Management Specialist, that shows 30 improvements that can be made in drawers, shelves, doors and walls to ease cooking and cleaning.

One of the main complaints voiced by homemakers is that they don't have enough kitchen storage area. Yet in many kitchens it's more a matter of making better use of available space, comments the county agent.

The storage lesson will also include ideas for using pegboard making drawer dividers and simple step shelves. Many cupboard accessories can be fashioned by a home handyman or teenager, Miss Kirmis notes. Other portable storage conveniences—plate racks, spice racks, step shelves—are available at most local hardware and department stores.

Extension unit meetings for February are scheduled for:

Feb. 1—Rhea Creek Grange hall—Rhea Creek.

Feb. 2—Mrs. Keith Rea—Ione.

Feb. 7—Mrs. Fritz Gitsforth—North Lexington (Night Meeting)

Feb. 8—Pine City School—Pine City.

Feb. 9—Mrs. Paul Slaughter—Irrigon.

Feb. 14—Mrs. Nora Turner—Heppner.

Feb. 15—Mrs. Gordon O'Brien, Lena.

Feb. 21—Mrs. E. C. Daniels—Boardman.

All meetings are scheduled to begin at 10:30 A.M. except the North Lexington meeting which will start at 7:30 P. M.

TWO NEW BOOKS IN HEPPNER PUBLIC LIBRARY REVIEWED

By BLANCHE BROWN, Librarian

Among new books added to the shelves of the Heppner Library recently are:

Return of the Tiger by Brian Connell: It was fall 1943. Ivan Lyon, with 13 men dressed in sarongs, their skin painted brown, sailed a reconditioned junk into the heart of the Japanese empire, sank several cargo ships, paddled out, and sailed home safely.

The suspense of this remarkable raid is heightened by the personality of its leader, Ivan Lyon. A member of the Gordon Highlanders—who had a tremendous tiger tattooed on his chest—he was a man with a brooding faraway look in his eyes. He held a personal grudge against the Japanese because his wife and young son had been captured and interned in Tokyo. A year after the first daring success, Lyon executed another raid, which ended in total tragedy. Both of these expeditions called for the utmost daring, courage, and stamina.

Return of the Tiger is the true saga of a dangerous adventure. For security reasons the story of the bravery of these men has never before been told.

The Strange One, a novel by Fred Bodsworth: In Toronto, Rory MacDonald, a fiercely ambitious young Scot studying to be a naturalist, wins a summer job banding Canada geese to trace their migrations.

In the bleak musketry country of James Bay, a Cree Indian girl, Kanina, educated with white people but rejected by the white community when she becomes a teacher, is returning with bitterness in her heart to rejoin her illiterate family and sink back into the harsh primitive life of her people.

Caught in the backlash of a hurricane, a wild barnacle goose is blown westward across the Atlantic from the Scottish island of Barra to northern Canada.

The lives of these three are interwoven as the mating of the lost goose is linked to the forbidden love that grows between the naturalist and the uprooted Indian girl who helps him with

LICENSE EXAMINER HERE

A Drivers License Examiner will be on duty in Heppner Tuesday, February 7, 1961, at the court house between the hours of 9:30 A. M. and 3:30 P. M., according to an announcement received from the Department of Motor Vehicles of Oregon.

Persons wishing original licenses or permits to drive are asked to file applications well ahead of the scheduled closing hour in order to assure time for completion of the required license test.

First Range Conservation Stamps Feb. 3

The first range conservation postage stamp by the Post Office Department will be issued in Salt Lake City, Utah, Feb. 2 at the American Society of Range Management's annual meeting, Victor Kreimeyer, District Ranger, said today. The stamp will go on sale at the Salt Lake office Feb. 2, and will be on sale here the following day.

Those interested in a first-day cover, or souvenir envelope, can mail addressed envelopes plus a money order or certified check to the postmaster at Salt Lake. The stamp will be cancelled with

a special cancellation mark used only on that day and at that place and mailed anywhere.

The new stamp is in two parts: one a reproduction of the famous drawing, "The Trail Boss," by Charles Russell; the other part shows a modern range conservation scene.

The new stamp, according to Ralph Richards, of the Heppner Soil Conservation office, symbolizes the development of range conservation from the pioneer days of the open range to today's scientific management techniques.
