

**First Heppner Fire In Nearly Nine Weeks**

The local fire department responded to their first call since November 29 when it was called to the house owned by the Frank S. Parkers one-half mile west of town at 6:30 Monday night. The fire was started by a short in an electric range and Fire Chief, C. A. Ruggles gave the tenant, Fred Hoskins, Jr., credit for confining it to the burning stove. Hoskins covered the range

with heavy coats and had it well smothered by the time firemen arrived. They were able to put it out quickly. "If he'd tried to move it out to see what was wrong, we'd have had a much bigger fire," Ruggles said. The stove was ruined as the top was melted off but damage to the house was confined to smoke damage.

Mr. and Mrs. F. E. Errington and two daughters visited here with her parents, Mr. and Mrs. Clarence Wise, from England, where they had been with the Air Force. Mr. Errington is now stationed at Moses Lake. Mrs. Errington and daughters will remain here for a few days.

Mr. and Mrs. Roy Drake were in The Dalles on Tuesday to consult a doctor. Also they visited Mrs. Tom Wells who is in the hospital recovering from a recent car accident.

**Why do you trust this man to feed your family?**

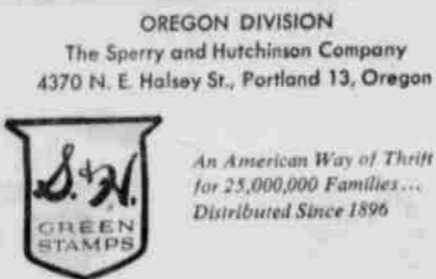

HAVE you ever realized that the most precious thing you buy every day is food? Probably not. Yet your own family's health and well-being depend largely on the quality of food you buy. Your food store dealer never forgets this fact. That's why he's as careful of the food he offers you as he is with the food he takes home to his own family.

While experience has taught you to rely on him for the best—most wholesome—foods, you likely take for granted his constant check for quality...his investment in new and better foods...and that he brings all of this to you at a price you know is right.

And how rewarding for you if your favorite food store gives you S&H Green Stamps.

You know, of course, that half the families in America save them today.

Your S&H Green Stamps make it possible for you to choose from over 1,500 top-quality, famous brand-name items at your S&H Green Stamp Redemption Store.

THE MAN WHO KNOWS YOU BEST... SERVES YOU BEST!
