Ione Schools

By EVELYN JEPSEN

A busy and eventful month describes March for many Ione students. The first in the line of events was the basketball tournaments, both district and state. Every Ione high student is as proud as can be of all the basketball boys and of that second place state trophy that they won.

The pep band wishes to thank all the mothers who worked so hard in making the red vests for the state tournament. Also thanks to all the people who donated money to the pep band, making it possible for them to go to Bend.

The whole student body says "thanks" to all the hundreds of people who gave their loyal support to our school and team, not only through the tournaments but through the entire basketball season. Your support is deeply appreciated.

In another recent event, Jean Martin and Evelyn Jepsen went to Pendleton on March 6 to participate in the "Knights of Pythias public speaking contest. Evelyn placed second, and Amanda Black of Pilot Rock won first. In case Miss Black is unable to attend the district contest in April,

Evelyn will go as alternate. Evelyn also receives a gold cup with her name engraved on it.

Tryouts for the coming student body play, "On the Track," were held Wednesday of this week.

On Tuesday, March 21, an assembly on wildlife conservation was presented to the students.

Next week marks the end of the third nine weeks of school. Only nine weeks remain after that before the seniors take the short walk for their diplomas.
