It's always enjoyable to stop at the home of Mrs. Randall Martin out Lena way. Marie is such a wonderful hostess! But Tuesday, May 23 was outstanding. You can see, it was the day of our annual County Committee Alumni Party.

Home Economics Extension work was started in Morrow county in 1946. Women who serve on the extension advisory council are called County Committee Women. There is one from each of the extension units in the county who serve a term of 3 years. They assist the agent in planning and guiding the home economics program. Over 32 women have served on this council since 1946. Each year they hold a get-together to renew friendships and chat about the past extension year.

This year they got a surprise! The present committee women, who act as hostesses, presented each of the alumni members with an official homemaker pin which bears the extension seal of "home," "community," and "country."

Another highlight of the day was a visionary trip to the Holy Land. Miss Leta Humphreys, who spent seven months last year traveling Europe and Asia, entertained the group by showing her colored slides and commenting on the life and the problems of that land. The presentation was enlightening and gave clearer view of the Jewish-Arab problem.

A short business meeting was held in the morning. Mrs. John Graves, Heppner; Mrs. Weldon Witherrite, Echo; and Miss Leta Humphreys, Heppner—three newly elected county committee women were installed in a candle-light ceremony.

The new committee elected officers for the coming year which are: Mrs. Warren McCoy, Irrigon, chairman; Mrs. Edward Baker, Lexington, vice chairman; Mrs. Randall Martin, Heppner, secretary; and Miss Leta Humphreys, Heppner, treasurer. Other members of the committee are Mrs. Earl Briggs, Boardman; Mrs. John Graves, Heppner; and Mrs. Weldon Witherrite.
