

MR. AND MRS. EDWARD JAMES GORMAN

Sharon Lee Cutsforth And Edward Gorman Married in Nevada

Announcement of the recent marriage of Sharon Lee Cutsforth, daughter of Mrs. Don Heliker of Ione and O. W. Cutsforth of Lexington, to Edward James Gorman of Pilot Rock was made here this week.

The wedding was solemnized at a quiet ceremony in the sanctuary of the Reorganized L.D.S. church in Lovelock, Nev., on June 5, with the Rev. Vern S. Schoenfeld officiating. The couple was attended by Mr. and Mrs. Heliker.

For her wedding the bride chose a white lace sheath dress, with finger-tip veil held in place by matching lace headdress. Her bridal bouquet was of white orchids with satin streamers. She carried, as something old, a two-cent piece belonging to her grandmother, Mrs. E. C. Heliker. The bride's mother wore a light mint green sheath dress with complimenting green necklace, light beige accessories, and accented by a white carnation corsage.

Before returning to Oregon, the couple traveled extensively in Nevada and California. They enjoyed a leisurely trip north along the Oregon coast.

The bride, prior to her marriage, was employed in secretarial work at the Fred English Youth Center at Kennewick, Wn. They are making their home during the summer at the Cutsforth country home.

Housewarming Held At Carmichael Home

The new home of Mrs. C. C. Carmichael was the scene of a "housewarming" party last Wednesday afternoon. Several of her friends from Lexington, her former home, came for an informal afternoon of bridge, social hour and tour of the new home.

The group presented Mrs. Carmichael with a group of garden markers for use in her yard. They also furnished the refreshments served during the afternoon.

High prize at bridge was won by the guest of honor, and second high by Mrs. Robert Davidson. Others attending were Mrs. Mervin Leonard, Mrs. Dean Hunt, Mrs. John Ledbetter, Mrs. William J. Van Winkle, Mrs. Elden Padberg and Mrs. Gene Cutsforth.

Portland Public Docks Continues Cargo Lead!

For the fourth consecutive year Portland Harbor leads all Pacific Coast seaports in the movement of dry cargo tonnage.

Figures compiled by the U. S. Department of Commerce show Portland in first place with 2,606,650 tons, 244,200 tons ahead of second place Los Angeles and 443,250 tons ahead of third place Seattle, for the calendar year 1959.

Continued expansion of Portland Public Docks, assured by approval of a recent \$2 1/2 million dollar bond issue, is now under-

way to further increase cargo flow through the port and to reduce shippers' costs.

Rapid transportation to Portland from all inland points by rail, truck or barge, is unsurpassed. This, coupled with the lower freight rates of the water-grade route of the Columbia River, has helped Portland gain prominence as a leading world seaport.

ANOTHER BIG REASON BEHIND THE BIG BOOM IN FORD SALES:

No other wagon can match Ford's features (or popularity!)

There's a whole wagonload of Ford features that only America's station wagon specialists can bring you.

First, there's more room. Ford's extended load deck is the longest and widest in its field. The tailgate opening is seven inches wider than last year, too.

There's more convenience. You can have an electrically controlled roll-down rear window in any Ford wagon... it's standard in all Country Squires and 9-Passenger Country Sedans. In their field, only Ford wagons

have all seats facing forward.

There's more distinction. The Country Squire (shown above) is the one and only wagon in its field with body panels that look like mahogany, wear like steel.

There are more savings, too. Ford's Ranch Wagon is America's lowest-priced,* full-size wagon. And like all Fords, every Ford wagon is built to be more service-free: goes 30,000 miles between chassis lubrications, 4,000 miles between oil changes, brakes ad-

just automatically, mufflers are made to last three times as long as ordinary mufflers, and the finish never needs waxing.

STOP putting off that station wagon you've always wanted. SWAP for a '61 Ford wagon now while your Ford Dealer's celebrating record-breaking sales. SAVE with the wagon America loves most... made by FORD... America's station wagon specialists for 32 years!

*Based on 1960 model Ford Ranch Wagon.

*Based on a comparison of manufacturers' suggested retail delivered prices.
