Townies Shutout Two Condon Teams Sunday

The Heppner semi-pro town team added two more victories to its win column and the Wheat League title Sunday by taking a double-header from the Condon town team and the Condon Air Force team.

The Heppner team goes into the Oregon semi-pro baseball tournament in Portland this week-end with the local boys playing Saturday night, 6:30 p. m. at Scovane Park against Textronie of Beaverton.

Eight teams, representing all parts of Oregon, will be represented in this double elimination tournament with play to resume

Last Golf Lesson Set

John Snyder, who has been making weekly appearances at the Willow Creek course to give golf lessons, will not be here this week, according to word received Tuesday by Mrs. Lowell Gribble. Final lessons for this summer will be given next week on the regular days.

the following week-end. Jack Ford and Dennis Bagnall, Heppner pitchers, teamed up for the two game shutout Sunday with Ford getting the first win from Condon, 26-0, and Bagnall taking the second from Condon Air Force, 7-0. They each gave up only two singles, and those came in the sixth and seventh innings, following five innings of no-no pitching, with each getting 11 strikeouts.

In the lopsided opener, Heppner scored 11 runs in the first frame and then added 13 more in the last three innings, hitting two pitchers for 18 singles, including a three-run homer by Jerry Bristow. Jerry Hagueswood hit four for six, and Bristow and Kenny Sawyer two for four, Sawyer getting a double.

Bristow drove in two runs with a single in the second frame to give Bagnall the edge he needed to take the second game. Bagnall later helped his cause with a one-run double and Sawyer hit two for three.

Over The Tee Cup

By DEE GRIBBLE

This pot of "tee talk" is brewed by Dee Gribble, in the absence of Jackie Labhart.

There was a change in the weather—

But that wasn't enough. To get all the golfing gals To change their stuff.

The fairways changed, sure enough, and not for the better. All the litter and debris from the storm Monday night formed extra hazards for the regular round Tuesday morning. But eight fearless females played a newly assembled route and had a "ball." Order of the day was for first on, first in, closest to pin, with a longest drive thrown in to make the bookwork harder. Winners were Bebe Munkers, high gross; Kay Robinson, low net; and Dee Gribble, fewest putts. Nadine O'Brien and Joyce Ward were back with us, also Vi Lanham, Marie McQuarrie and Jan Agee.

Sunday found Eddie and Beverly Gunderson, Vi and Conley Lanham, Helen and Ed Schaffitz, Corkle and Jim Norene, Dee and Lowell Gribble, Hazel and Phil Mahoney, Harlan McCurdy and Stu Gribble, pairing up for

the two-ball foresome. Winners were Eddie and Vi, low gross; Helen and Jim, high gross; Grib and Hazel, long drive for the ladies, and Eddie laying it on closest to the pin. The two-ball foresomes are always fun. The Schaffitz were in charge Sunday.

SEEN AND HEARD—

Heard through the leaves that the Labhart family will be leaving in the fall. We will miss our golfing Jackie.

Jan, putting through water on number 7 was out two feet, but only got one back.

Eddie, looking for my ball in the water, dumped his clubs in—glad it was "before mud."

A gal, seen looking through the cat-tails for golf balls, found 15. Just call Central Market and ask for "Chloe."

Due to the "condition" of number 1, 2 and 3 fairways, members of the golf club will have a "Cleanup Day" Sunday, the 20th, starting at 8 o'clock a. m., after which a lunch will be served under the Willow Tree. Remember: many hands make light work!

The two-ball foresome, as usual, this Sunday with the Lanhams in charge.

Game Board Sets Special Deer Hunts at Monument

A four-day emergency deer season to run for two consecutive week-ends, August 19 and 20 and August 26 and 27, will be held near Monument in Grant county, the Oregon Game Commission announced this week, to alleviate an acute deer damage problem in agricultural lands in the area.

The hunt includes all lands in portions of sections 2, 3, 9, 10, 15 and 16, all in township 9 South, range 26 east, of the Willamette meridian.

The total number of licensed hunters authorized for the hunt is 50, chosen according to their eligibility on the rosters of Grant, Wheeler, Gilliam and Morrow counties established by public

drawing on January 19, 1961. Upon depletion of these rosters, hunters in Grant county will be alerted and additional applicants will be registered in the order that they may apply.

Big game tags are not required but a fee of \$5.00 is charged for possession tag. Bag limit is one deer. The maximum number of deer to be taken during the emergency hunt is set at 50 animals.

Examiner Coming

A drivers license examiner will be on duty in Heppner Tuesday, August 22, 1961, at the court house between the hours of 9:30 A. M. and 3:30 P. M., according to an announcement received from the Department of Motor Vehicles of Oregon. Persons wishing original licenses or permits to drive are asked to file applications well ahead of the scheduled closing hour in order to assure time for completion of the required license test.

Receives Degree

Mildred Hanna, Heppner, was one of 68 graduates to receive degrees at summer session commencement exercises at Eastern Oregon College August 11 at La Grande.

Mrs. Hanna, third grade teacher at Heppner for the past seven years, received her bachelor of science degree in education.
