I JUST got back from the first meeting of the Heppner Extension unit which started in the morning. The potluck dinner at noon, I missed—busy typing away at my stories! Anyhow I think I was smart 'cause I got in on the delicious left-overs after the meeting and I won't need any supper for sure.

The unit had a good turnout and there are some interesting programs slated for every meeting, so any of you gals, young or old, come and join us or any of the units in the county.

OUR TOWN may be little but we have some mighty good bridge players as they have proven in the various tourneys around the area. The last trip for the group was made last Wednesday when Mr. and Mrs. LaVerne Van Marter, Mr. and Mrs. Bill Collins, Mrs. Bill Labhart, Mrs. Gene Hall, Dr. W. H. Wolff, and Mrs. Walter Jacobs of Lone went to Pendleton and entered the Master point duplicate play at Vert Little Memorial.

Dr. Wolff and Bill Collins won high for east-west which entitles them to one Master point, LaVerne and Daisy won third for north-south and gives them fractional Master points.

I'm just a beginner-beginner type bridge player, so very innocently, I asked Laurel if anything interesting or unusual happened during the play in Pendleton. "Oh, no," she said, "it's just bid, pass, bid, pass; otherwise not a whisper. You could hear a pin drop!"

That's one time the gals are quiet, huh?

MRS. PAUL Brown called me this week to say they had received a letter from the Cliff Williams, former Heppner teachers who now live in Lawrence, Kans. Betty said they wrote the climate was bearable but not nearly as comfortable as in Morrow county. Their son, Butch, is playing football and in the band.

SHARON KEITHLEY was the honored guest Friday night at a lovely bridal shower held in the Christian church social rooms. Sharon and Bob Harrison will be married this Saturday at the Christian church.

Hostesses for the evening were Mrs. Paul Jones and daughter, Sandra, and Mrs. LaVerne Van Marter with Mrs. Claude Graham and Mrs. Clarence Rosewall pouring. Also assisting about the rooms were Sharon's school mates, Mrs. Don Hevener and Mrs. Mike Gray.

Golden Glow was used throughout the rooms arranged

in baskets, together with a centerpiece with candles.

TALKED WITH Betty Gimbel yesterday. She said she was right in the middle of painting and frantically trying to get finished before kindergarten son Tracy got home from class. Wonder why?

MR. AND MRS. CONLEY Latham entertained the duplicate bridge club at the LaVerne Van Marter home Sunday night for dessert and bridge.

Playing were the Jim Driscolls, Bill Collins, Gordon Pratts, Dick Meadors, Lowell Gribbles, Wallace Wolff and Mrs. Bill Labhart, the Van Marters, the Lathams.

The winners were Bobby Driscoll and Vi Latham, and Gordon and his partner Bill, all tied for first north-south, high for east-west were Dee Gribble and LaVerne and second went to LaFryn Pratt and Conley.

LENA SMITH was telling me about the wonderful time she and the 4-H girls and her children had last week-end in Portland and the state fair, except for two things. Driving in that town of Portland and being on different time, just about cost them their dinner date with the Vie Kriemeyers! ! !

SPEAKING of the winning ways of the local bridge players, they did it again when four couples went to Hermiston to enter the monthly Master point play. Going were Mr. and Mrs. Bill Collins, Mr. and Mrs. LaVerne Van Marter, Mr. and Mrs. Jim Driscoll, Dr. W. H. Wolff, and Mrs. Bob DeSpain, lone. LaVerne and Daisy won high north-south, Jim and Bobby Driscoll won third north-south, and Dr. Wolff and Bill won second east-west.

Guess that practicing pays off.

IN THE BEST food buys, the fresh fruits and vegetables are still plentiful and reasonably priced, so enjoy them while they are still in season. In meat, look for good buys in pork roasts and cured hams. Spareribs and loins are high. Beef will be in good supply, chunks and other front quarter cuts are ideal for pot-roasting or meat loaf. Cooler days are ahead so look for better prices on steaks and barbecue cuts.

I CALLED Mrs. Leroy Gardner on the first Elks Ladies Night, which was held last Thursday evening following a delicious fried chicken dinner in the din-

Five Generations Gather Labor Day

Family members of Mrs. Eddie Thorpe gathered at the Thorpe home for a five generation reunion and picture over the Labor Day week-end. This was the first time the five generations, all women, had been together. In 1941 four generations gathered in Colorado where Mrs. Thorpe's mother and grandparents still live.

A family dinner with about 20 present on Labor Day at the Thorpe home was the highlight of the reunion and later pictures were taken of the group. The

If travelling into Canadian Provinces there is a further very important requirement. It is a special Auto Identification Card which can be issued on request in our office. Possession of your automobile policy is not enough in Canadian Provinces. Required liability insurance limits are also higher in most Canadian Provinces than in Oregon.

If travelling into Mexico your insurance policy issued in the United States has a very limited application. Please be sure to check with your agent before leaving—a week or more in advance if possible—in order to allow time enough to obtain information if it is required.

The 10 COMMANDMENTS OF SAFETY

- 1 Treat every gun with the respect due a loaded gun. This is the first rule of gun safety.
- 2 Guns carried into camp or home, or when otherwise not in use, must always be unloaded, and taken down or have actions open; guns always should be carried in cases to the shooting area.
- 3 Always be sure barrel and action are clear of obstructions, and that you have only ammunition of the proper size for the gun you are carrying. Remove oil and grease from chamber before firing.
- 4 Always carry your gun so that you can control the direction of the muzzle, even if you stumble; keep the safety on until you are ready to shoot.
- 5 Be sure of your target before you pull the trigger; know the identifying features of the game you intend to hunt.
- 6 Never point a gun at anything you do not want to shoot; avoid all horseplay while handling a gun.
- 7 Unattended guns should be unloaded; guns and ammunition should be stored separately beyond reach of children and careless adults.
- 8 Never climb a tree or fence or jump a ditch with a loaded gun; never pull a gun toward you by the muzzle.
- 9 Never shoot a bullet at a flat, hard surface or the surface of water; when at target practice, be sure your backdrop is adequate.
- 10 Avoid alcoholic drinks before or during shooting.
