## Revived Mustangs Trim Grant Union

A rejuvenated band of Mustangs kicked up their heels and shook off a three-game defeat record Friday night by upending Grant Union of John Day on the rodeo grounds gridiron by a score of 14-0. This was their first league game and first victory, putting them for the moment at the top of the Greater Oregon league. Bruce Moyer scored on a 15-yard run in the second quarter of the contest, aided by a neat block from Archie Ball, and this set the stage for victory. The Mustangs had things pretty much in command after that. LeRoy Gardner ran the conversion point.

Moyer's touchdown climaxed a 75-yard march that found Moyer, Eddie Howard and Ball alternating for nice gains. Halftime thus found the Mustangs ahead, 7 to 0.

Grant Union started moving in the third quarter, but Moyer stopped their drive when he intercepted a pass and ran it back to the Grant Union 40. Fumblings and penalties set in at this point and the Mustangs churned to no avail for a while, but Moyer broke away from his own 35 and went 65 yards to score in the third quarter, only to have the officials call it back because of an alleged pushing infraction by one of the Heppner blockers.

But the Mustangs were not to be denied. In the fourth quarter, they rolled on a 55-yard drive with Shan Applegate going over from the three after Gardner had made it a first down to that point. Applegate went through the line on a quarterback sneak. Gardner ran the extra point. Throughout the drive, Howard, Gardner and Moyer carried the ball well.

Later in the game Dick Griffith of John Day cut loose on what appeared to be a touchdown ramble for sure, but Moyer came up fast from behind and cut him down deep in Heppner territory. The visitors then bog-

## Over The Tee Cup

By DEE GRIBBLE

You don't need a red hat to "shoot a game of golf," and five gals that really like the game turned out Tuesday, with Nadine O'Brien and Joyce Ward in charge of play. We really clubbed out the nine holes—with the wood club of our choice. You'd be surprised at what you can do with just one club—(so think I'll put about six I'm carrying in moth balls). We had a guest from Kinzua, Dorothy Closs, who shot a 40 with her 5-wood.

I had least putts (13) with my 22-wood, Jan Agee had most (19) with a 3-wood and Marie McQuarrie and Nadine O'Brien, 18 and 16 putts with a 3-wood. It's really fun, and of course our men players think we're strictly for the birds, but we like our change of pace. Coffee, as usual, at our coffee station (should be

ged and Moyer again stopped their flurry when he intercepted a pass on the Heppner 20.

After the game, Coach Jim Sutherland said, "I can see a definite improvement, and I believe that we will win another game or two before the season is over. Doug Dubuque and Bill Cox blocked well in the line while Merlin Hughes, Ladd Dick and David Proudfoot all played good defensive games. Dick Springer and Gardner were tough backing up the line."

Heppner doubled John Day's accomplishments in first downs, scoring 14 to Grant Union's 7. Heppner made 62 total yards while the visitors made 197.

A fair crowd was on hand to see the victory and rejoice with the Mustangs. The Heppner High band, directed by Arnold Melby, put on a neat halftime show and drill.

tea) brought by Nadine. I feel like "smarty who gave a party, and nobody showed." After great deliberation and figuring and a date set with the photographer from the Gazette-Times, only two winners were present to receive their trophies: Championship gross to Dee Gribble, and championship net to Jan Agee. A tie ended the first flight between Marie McQuarrie and Hazel Mahoney (to be played off). Another tie between Donna McCurdy and Corkie Norene in the second flight, with Donna the winner; Roberta Dougherty won in the third flight. The eclectic trophy was presented to Corkie Norene. Anyhow, we finished up our "unfinished" business for our current year.

Last leaves in my tee cup tell me that Clint McQuarrie has number 1 seeded—now we can use some rain! Also that Nadine and Joyce played during the week and both were in low 50's for beginners, that's real improvement. AND that there were just two fellers on the course early Sunday, "shooting" golf instead of deer; Harlan McCurdy and Maurice Groves. There isn't enough hours in any one day to do all your work and have time to play, so—slow down your pace! Be a man of rare vision: to play golf on Sunday could be your decision. Marie and Clint McQuarrie are in charge of the day Sunday, October 8, time 2:00 o'clock.

Mrs. Harold Laird, Elaine and Tommy, motored to Salem recently to visit Mrs. Laird's mother, Mrs. Marguerite Simon and on to Portland to get Elaine registered at the University of Portland for the coming year. They also visited Shirley Van Winkle and Nancy Moyer.

## Lone Faces Helix; Echo Calls Off Game with Cards

Running undefeated for the season, Lone's 8-man football team will be host to Helix in the final home game for the Cardinals at Lone Friday afternoon. Coach Glenn Biehl's squad has downed Culver, Riverside and Umapine by sizeable margins and hopes to add Helix to the list.

Game time is 2:30, and starters for the Cards will be the same as in the last outing. Lone was idle with an open date last week. Big one ahead for the Lone club is the tilt with the other power of the Umatilla-Morrow 8-man league, St. Joseph's of Pendleton. They, too, are undefeated and have been shellacking all opposition. The Lone-St. Joseph game will be in Pendleton on Friday, October 13.

A final game of the regular season was scheduled with Echo, a league member, on October 20. However, Administrator Darrel Reisch of Lone said that Echo school officials have called off this game and forfeited to Lone on the grounds that they do not feel they are strong enough to compete with the Cardinals. Only 10 are on their squad, it is reported. This development brought a

rather indignant reaction from the Lone camp because of the fact that Echo is a league member and, as such, agreed to the schedule. Umapine played the Cardinals with its squad of only eight boys, all of whom stayed in throughout the contest without substitution, Reisch pointed out.

Refusal of Echo to play will mean that Lone will finish with two open dates in its regular schedule, and should it get into state playoffs, will be without action for considerable time before the playoffs.
