IFYE Girl Guest In War Escapee's Home

An especially warm welcome in Medford was extended Miss Marie von Roesgen, one of this summer's IFYE exchange students, when she arrived in the home of Mr. and Mrs. R. E. Nelson. Marie's family in Luxembourg had befriended Mr. Nelson when he was shot down on a bombing mission over Germany during World War II. Her family helped him escape through enemy territory back to his own outfit after getting word of his plight to the underground workers.

When Mr. Nelson learned that Marie was to spend several weeks in the United States this summer, he arranged for her to visit his home in Medford.

She made many friends in this area when she was a guest at the home of Mr. and Mrs. Fred Martin in Ione in August. She visited in Corvallis before going to Medford and will leave there October 10 for Washington, D. C., where she will report on her summer activities and later sail from New York City for home.
