

Cats Come Home

with
Dividends

but ... scattered dollars don't

You might broadcast a sack of cats . . . and find them all back home in a couple of days . . . plus some extras. But DOLLARS don't have much in the way of a homing instinct.

Take DOLLARS and sow them in the City . . . or send them off to some mail-order concern . . . or hand them to some hit-and-run salesman, and they are LONG-GONE DOLLARS.

IF YOU DON'T THINK SO . . . try to get some of these

left-town dollars back home to help fill our Red Cross quota . . . or to buy new suits for the school band, or a new fire engine, or to hire a preacher, or some more school teachers for your kids, or to pave more streets.

BUYING WHERE YOU LIVE supports more people — and more prosperous people — in the neighborhood. People who can save you money by helping you carry the load of time and expense that goes with any community that is fit to live in.

Don't Carry It Off...Keep It at Home and Use It Again
