County OEA Meet Held at Boardman

BOARDMAN—The Morrow County OEA met Monday night at the school with about 40 attending.

Robert Van Houte, county school superintendent, Heppner, gave a report on state OEA meetings he has attended recently, and stated that Oregon has been selected as one of the leading states in education, and that it will receive a federal grant this year of \$25,000 for pilot work in initiating new programs. He further stated that there is an indication that this grant will increase to \$250,000 in the next few years. He also gave a report on a meeting held recently by the Morrow county and Umatilla county school boards at which a discussion was held on the possibility of a community college in this area. Both boards were in favor of such a college. The major portion of such a school would be financed by state money. Another meeting of the two boards will be held in a week or two.

Another feature on the program was the showing of slides by Don Heliker of Heppner of a trip he and Mrs. Heliker took to the Hawaiian Islands.
