

Family Gatherings, Festive Program Add To lone Yule Spirit

By LORRAINE BALL

IONE—A delightful Christmas program was presented to a large audience at the lone school on Thursday evening by the combined grade and high school. The program started with the sixth grade singing "All I Want For Christmas is my two Front Teeth." "Silent Night" was presented in verse and song by the second grade class, followed by the beginners band playing two numbers. The seventh grade and eighth grade chorus sang "Silver Bells" preceding the grades one, three and four presentation of the skit "Christmas Town." A mixed chorus of the lone High students sang two numbers and the intermediate band followed with two Christmas numbers. The fifth grade class sang "Winds through the Olive Tree" and the High school band followed with two more Christmas numbers.

Grades five through eight climaxed the program with singing of several selections. Guess what was next? Santa visited on the stage with all the preschool children with treats for all. He visited the class rooms of each grade before making his appearance at the cafetorium. High school students and adults were also presented with a sack of candy, passed out by the Letterman's Club.

Thirty-nine persons enjoyed the potluck supper at the Legion hall last Tuesday evening. The party was for the Legionnaires, Auxiliary members and their families. Bingo was played following the supper.
