

Legion Bills Anti-Communism Film

By LORRAINE BALL

IONE—"Communism on the Map" is the title of a film which will be shown at the lone Legion hall on January 25, at 8:00 p. m. This film will be shown to the public here through the combined efforts of the lone American Legion and Auxiliary units. Everyone is invited to come.

Mr. and Mrs. Clarence Holtz and Carl Troedson attended the Kneisel Travel club banquet in the Rose Bowl room in the Multnomah Hotel in Portland last Saturday. This is an annual "get together" for all of the members who have taken trips on Trailways Tours over the continent in the past two years. The Holtzes and Troedsons were on the Alaskan tour in 1960. A very enjoyable evening of meeting friends of the various tours was had by all and a full evening of entertainment was provided for some 300 members attending.

Involved in Accident
Mrs. Lee Pettyjohn and daughters, Patty and Mary Ann, and Jodie Snow, daughter of Bill Snow and Mrs. Virginia George were involved in an accident on Friday evening near the Harvey Smith ranch. Mrs. Pettyjohn was returning Jodie home late in the evening and due to very foggy conditions, lost control of their jeep on a turn about two miles from the Smith ranch. They had to walk the remaining distance for aid. Jodie and Mrs. Pettyjohn were taken to Pioneer Memorial hospital by the fathers. Jodie stayed overnight for treatment to cuts on her face. Seven stitches were taken in a forehead gash. The other members involved suffered bruises and slight shock.

Harvey Smith was in Walla Walla during the week-end where he purchased a bull on Saturday. He returned home on Sunday.

Fred Ely is a patient in a convalescent home on the outskirts of Portland.

Mr. and Mrs. Elbe Akers and Danny spent Sunday at Boardman visiting his sister, Mrs. Hazel Miller and family.

Mrs. Virginia George spent the week-end with Mr. and Mrs. Tom White at Athena, but was called home on Saturday due to an accident involving her daughter.

Mrs. Cecil Thorne will host a committee meeting for all Heart Fund chairmen at her home on January 23 at 1:30 p. m.

Mr. and Mrs. Gary Tullis and sons and Mr. and Mrs. Donald Peterson and family were among the skiers enjoying the new snow at Arbuckle Mountain ski club on Sunday.

Friends of Mr. and Mrs. Dixon Smith recently called to surprise Smith on the occasion of his birthday. Those attending included Mr. and Mrs. John Euliker, Mr. and Mrs. Donald Heliker, Mr. and Mrs. Lewis Halvorsen, Mr. and Mrs. Marion Palmer, Mr. and Mrs. Clarence Holtz, Mr. and Mrs. Hershall Townsend and Lloyd Rice. Mrs. Rice was unable to attend due to illness. Cake and coffee were served and the group enjoyed a social evening.

Grange Officers To Meet
There will be an officers conference at Stefani's on Friday, January 19, for a no-host luncheon, for all county officers of granges. A meeting will follow the luncheon, with state officers in attendance.

Mary Swanson returned home from St. Anthony hospital on Friday of last week and is convalescing at the home of her son and family, Mr. and Mrs. Garland Swanson. She is able to be up and about in a walker. It is of interest to our community and of our county to know that the Crippled Children's fund which our Beta Omega sorority has worked on so faithfully, sent the walker stroller which Mrs. Swanson is using. Mrs. Velma Glass got in touch with the group and immediately the equipment was sent out. Thousands of dollars are invested in this type of equipment for loan to those in need. Many thanks should go to the sorority for their help in making this possible.

Cheryl Ann and Lori Turner spent several days with their grandparents last week while their parents, Mr. and Mrs. Kenneth Turner, were having some remodeling done on their house. Wilbur Akers is a patient in the Heppner hospital due to illness.

Mrs. Stella O'Meara underwent major surgery at the Heppner hospital on Monday of this week. She is reportedly improving.

Return From North Dakota
Mr. and Mrs. Paul Tews and family returned on Friday, January 12 after spending about a month in North Dakota with her parents, Mr. and Mrs. Henry Trangsrud. They were there for the Christmas and New Year holidays. Mrs. Tews reported that there was quite a lot of snow and that temperatures dropped to 20 below at times with a high of 10 above some days. The Tews motored there and back and enjoyed the trip even to the weather. "They don't seem to

mind the cold there," Mrs. Tews said. "They are fully prepared for it."

Many of our local residents have been under the weather due to the cold and flu bugs. It seems to be attacking more of the adults than children as in the month of December.

Milton Morgan, vice president of the Oregon Wheat League, flew to Spokane last week to attend wheat meetings.

Mr. and Mrs. Warren Crutcher of Gresham and Mr. and Mrs. Frank Helina and sons Robert and John of Seattle spent the week-end with the Roy Lindstrom family. They were here to attend the wedding of the former Janet Mason and Roy Lindstrom, son of Mr. and Mrs. Franklin Lindstrom. Other guests were Mr. and Mrs. Kenneth Crutcher of Gresham, who were here just for the day. A wedding story and picture will appear later in an issue of the paper.

Guest At Morgan Home
Dr. Roy E. Lieuaillen, Chancellor of Oregon State System of Higher Education, stayed at the home of Mr. and Mrs. Milton Morgan on Monday night. Dr. Lieuaillen was here for the dedication of the new lone High school.

The city council hired professional tree surgeons who have a tree service in Spokane to remove some of the trees in the park. Some of these trees were extremely dangerous and the council voted to remove them. It is our understanding that they will do other work in the area for individuals or groups. If anyone is interested in their services one can get in touch with them through mayor Charles O'Connor.

Some trees are being removed near the Community church by the tree surgeons.

Club Starts Bird Sanctuary
The lone Garden Club met at the home of Mrs. Elbe Akers on January 9, with Mrs. Eleanor Herman and Mrs. Ida Esteb as co-hostesses. Sixteen members and one visitor answered roll call by naming birds in our community.

The Garden club is interested in starting a bird sanctuary. The committee appointed in charge are Mrs. Omar Rietmann, Mrs. Bill Rawlins, Mrs. Phil Emert and Mrs. Ralph Crum. At the present time there is a number of bird feeding stations in use and the club is asking the cooperation of the parents to protect them from children's BB guns. The club is interested in attracting the birds to their homes and gardens.

The tree planting committee is planning a tree pruning demonstration. Dates will be announced later.

Mr. Betley, who has a slide collection of wild flowers, offered to show them to the club and he is being contacted for the next meeting of the Garden club.

It was announced at the meeting that cup cakes were served to between 40 and 50 guests at the observation of the Twelfth Night services on January 6. Mrs. Ralph Crum and Mrs. Phil Emert and their children collected the trees and greens for the burning. Arnie Hedman led the group in singing carols.
