Sealed proposals will be received by the undersigned until 2:00 o'clock p. m., Standard Oregon Time, on the 26th day of March, 1962, and immediately thereafter will be publicly opened by the District School Board of School District No. R-1, Morrow County, Oregon, for the purchase, at not less than par and accrued interest, of the following described negotiable general-obligation coupon bonds of said school district, in the principal amount of \$870,000, dated April 1, 1962, in denominations of \$1,000 each, and maturing serially in numerical order as follows:

\$44,000 on April 1, 1963
\$43,000 on April 1, 1964
\$44,000 on April 1, 1965
\$43,000 on April 1, 1966
\$44,000 on April 1, 1967
\$43,000 on April 1, 1968
\$44,000 on April 1, 1969
\$43,000 on April 1, 1970
\$44,000 on April 1, 1971
\$43,000 on April 1, 1972
\$44,000 on April 1, 1973
\$43,000 on April 1, 1974
\$44,000 on April 1, 1975
\$43,000 on April 1, 1976
\$44,000 on April 1, 1977
\$43,000 on April 1, 1978
\$44,000 on April 1, 1979
\$43,000 on April 1, 1980
\$44,000 on April 1, 1981
\$43,000 on April 1, 1982

The bonds of the issue that mature after April 1, 1974, will be redeemable at the option of the school district at par and accrued interest upon April 1, 1975, and upon any interest date thereafter.

The bonds will bear interest payable semiannually at such rate or rates, in multiples of 1/4th of 1%, not exceeding six per cent per annum, as shall be specified by the successful bidder. The bonds shall have but one coupon for the interest due on any interest-paying date. Both the principal of and the interest upon the bonds will be paid at the office of the county treasurer of Morrow County, Oregon, at Heppner, Oregon.

The bonds will be sold to the highest bidder, but the district school board reserves the right to reject any or all bids. Unless all bids are rejected, the bonds will be awarded to the bidder complying with the terms of the notice of sale, and submitting the bid which, after computation on the basis that none of the bonds will be called for redemption prior to the final maturity dates thereof, provides the lowest cost to the school district.

Each bid must be unconditional, must be accompanied by a certified check or cashier's check in favor of the district, or upon a bank doing business in the state of Oregon, in the sum of \$17,400, and must be enclosed in a sealed envelope addressed to the undersigned and marked on the outside "Proposal for Bonds." (The amount of the check should not be less than 2% of the par value of the bonds offered for sale.) No interest will be allowed on the deposit with the bid, but the check of the successful bidder will be retained as part payment of the bonds or to secure the school district against any loss resulting from failure of the bidder to comply with the terms of his bid.

Each bidder shall include in his bid a statement of the total interest cost to the district, if his bid be accepted, provided none of the callable bonds of the issue are redeemed prior to final maturity date.

The successful bidder will be furnished with the written opinion of Shuler, Sayre, Winfree and Rankin of Portland, Oregon, to the effect that the bonds constitute the valid and legally binding obligations of the said school district.

The bonds will be delivered complete, without undue delay, at the expense of the school district, at such city in Oregon as the successful bidder shall name.
