Pfc. Ken Brenner Home from Germany

Pfc. Ken Brenner, son of Mr. and Mrs. C. E. Brenner of Ione, arrived home late last week following his discharge from army service in New York. He had served 27 months in Germany with the engineers.

Ken crossed the Atlantic by boat and with some friends bought a car and drove out from Chicago. Before arriving home, he visited a brother, Lt. Leroy Brenner, stationed at Travis Air Force Base, California, and with his grandmother, Mrs. Vela Eubanks, Portland.

While in Germany, he traveled considerably to see parts of Europe and enjoyed the experience. However, he found that the people abroad treated Americans better when they were in civilian clothes rather than when they were in uniform.

A graduate of Ione high school with the class of 1954, Ken formerly worked in the mill, but he hasn't decided what he will do now.
