

Council Adopts Building Code; Dates Scheduled

By MARY LEE MARLOW

BOARDMAN—The Boardman city council voted last week to apply for membership with the International Conference of Building Officials in Los Angeles, Calif., along with their decision to adopt a building code for the new city. Under this membership they will receive all necessary information and data, and a new building code every four years.

It was voted to submit the following proposed approximate dates to the U. S. Army Corps of Engineers and to Cornell, Howland, Hayes and Merrifield at Corvallis:

Final city selection, May 1, 1962; revised design memorandum completed, August 1, 1962; approval of design memorandum by chief of engineers, November 1, 1962; contract on utilities and structures, March 1, 1963; highway and town start construction, June 1, 1963; finish, September 1, 1964; railroad realignment start, October 1, 1964; finish, October 1, 1965.

George Wiese reported to the council that all persons in Boardman being bought out by the government may secure loans from the government through the Federal Housing Administration for the purpose of rebuilding their homes. They may have as long as 40 years to repay the loans, which is longer than usual. A loan for low cost housing, which is any amount up to \$16,000, can be had for as little as \$200 down, which can include the cost of processing papers, for 5 1/2% or 5 3/4%. Anyone having to sell their home to the government when the town has to be moved is eligible. The home does not have to be rebuilt in Boardman, but can be elsewhere, if preferred.

The council would have to send in to the FHA office in Portland the name of a city official to act as administrator to sign eligibility papers for applicants. The council appointed Ernabel Mittelsdorf, city recorder, to do this.

The council approved formation of a mosquito control district, and the mayor appointed council members to circulate a petition in town for 25 signers for this, which will be submitted to the county court, who in turn will submit it to ballot of the people.

Members Give 4-H Program

4-H club members presented the program at the meeting of Greenfield Grange Thursday night of last week. Kurt Gantenben spoke on 4-H ten years ago and the present, and Joe Hay, Heppner, showed a 4-H film, "The Town That Came Back."

Before the meeting, club members were guests at a potluck supper. Present were Sandra and Teresa Thorpe, Linda and Jody Tatone, Sharon Donovan, Kurt Gantenben, Karen Gronquist, Cathy Getz, Mary Boothman and Annie Obermeyer.

Modeling School Gets Popular 4-H Support Saturday

Over 50 4-H girls and their leaders took part in the 4-H modeling school on March 10 at the multipurpose room of the Heppner school, according to Esther Kirmis, Morrow county extension agent.

Social graces such as how to walk and turn, how to sit, what to do with your hands, how to take off and put on your coat, getting in and out of a car, and how to walk up and down steps were all explained and practiced by the eager girls.

Modeling training tips were given previously to five 4-H girls and three leaders by Murle Scales, state extension agent, Corvallis, who had taken schooling at the Easter Modeling School, Portland, and under John Powers, New York. These trainees in turn instructed 4-H members.

Teachers for the day included Arieta McCabe, lone; Beverly Davidson and Leora Van Winkel, Lexington; Libby Van Scholack, Mrs. Andy Van Scholack, and Esther Kirmis, Heppner.

Another modeling school is scheduled for March 24, 1:30 p. m., in the lone school cafeteria.

It pays to advertise in the Gazette-Times.

County Returns for Heart Fund Still Encouraged

Reports are being tabulated this week for the 1962 Heart Fund Drive throughout Morrow county, according to Mrs. Cecil Thorne, county chairman. Receipts so far are reported at about half the amount of previous years, however final reports will not be completed until after March 15. Those who have not yet been contacted or have not sent in contributions may still mail them to Marion Green, county campaign treasurer, Bank of Eastern Oregon, lone.

Individuals or families wishing to make memorial donations to the organization will be accepted any time during the year. These may be sent to Mrs. Ruby Roberts, lone, memorial chairman.

Mrs. Thorne wishes to express her appreciation to all county chairmen and volunteer workers for their time and help con-

nected with the drive. She feels that the public may not yet realize what the Heart Fund campaign means to Oregon and to Morrow county in that it is one of the more recent foundations established, yet it concerns itself with diseases which touch more Oregon families by death and disabilities than any other. Diseases of the heart are responsible for about 56% of all Oregon deaths, many below age 65, and a very large percentage of disabilities. Statistics show that one person dies every 45 minutes from cardiovascular disease in Oregon. Research program is constantly growing to find out more about the diagnosis, care and treatment, as well as surgery, drugs and medicines. 75 per cent of money received in Oregon stays in the state to help in community treatment, education, research and administration and several local cases have received direct
