IONE—A tentative city budget of \$20,476.52 was worked out by the budget committee for the city of Ione and presented at this month's council meeting, Mayor Charles O'Connor said this was within the 6 per cent limitation.

Further work on the budget will be done because all expenses and items have not been agreed upon, commented Mayor O'Connor. However, he went on to explain that the 6 per cent limitation would not be exceeded.

Funds for the city come from several sources which include a 10 mill serial levy which is in its second year and brings in approximately \$3,000 for city use. Other funds include a street fund from the State highway department taxes and from receipts from the city revenue.

The budget committee is composed of E. W. Bristow, Walter Dobyns, Cecil Hicks, council members, Mrs. Robert DeSpain, Omar Rietmann and Bill Rietmann and Mayor O'Connor.

Mayor Proclaims Cleanup Week

Mayor Charles O'Connor of Ione has proclaimed next week, April 16 through 21, as Cleanup week in Ione.

City trucks will pick up trash and debris left in containers on curbing strips on Thursday, Friday and Saturday, he said.

Cooperation of residents in taking part in the cleanup campaign to help make a more tidy city will be appreciated, he said.

Club Declares Need for Cleanup, Caution On Spray

Members of the Ione Garden Club took action Tuesday at its regular business meeting on matters of importance relative to cleanup of the town and on weed spraying.

In cooperation with the city of Ione, the club wants to remind citizens of the officially declared Cleanup Week, April 16 through 21. Now is the time to burn all debris possible, level off parking strips and weedy areas, so these can be mowed during the growing months to keep weeds down and prevent fire hazards.

There is a city ordinance, number 99, "prohibiting weeds more than 10 inches high, trash and debris from accumulating on private property during May through October, with fine not to exceed \$100."

The club also calls attention of farmers and weed spray operators to help prevent weed spray drift and fumes from vehicles, be cautious with spraying apparatus and of saturated clothing coming into the area that would kill plants and young trees. The 64 new trees planted during the winter need this special protection to keep growing and add beauty and attractiveness to the community.

Stanfield Tops Cardinal Nine

In the first baseball game of the season both teams, Stanfield thumped Ione at Stanfield Friday, 12 to 4 after jumping to a 6-1 lead in the first inning.

Ken Klinger started on the mound for the Cardinals after the Ione nine had picked up one run in the top of the first. The Stanfield nine opened with a rush and Klinger yielded to Ron Crabtree who hurled the rest of the distance.

The winners stretched the lead to 8-1 by the bottom of the second when they connected for three more hits in that stanza. The Cardinals pushed over another Ione run in the top of the third but Stanfield matched that in the bottom of the same frame to make it 9-2.

Coach Glenn Biehl's gang threatened in the top of the fifth with three hits and two runs but the rally was cut short at that point. Stanfield completed scoring in the bottom of the sixth with three runs on one hit. Ken Nelson had a good day at bat for the Cards with three hits in four trips. Topping Stanfield was Pitcher Voss with two in three times up.

The Cardinals meet Umatilla at Ione Friday at 3 p. m.
