Ford Tire Service Announces Winners

Local winners in a contest sponsored by Ford Tire Service have been announced by Manager Bud Peck. The contest closed April 6. Numbers in a national magazine in an advertisement for General Tires were used to determine the winners.

Harold Evans received a battery, John Harris a set of seat belts, and D. H. Jones Jr. a pair of recaps as prizes in the contest, Peck said.

Another phase of the contest is now in progress. Those who find numbers in the General advertisement in Life magazine should bring them to the local store to see if they match those posted for national prizes.

David Hall Wins

Name of David Hall was unintentionally omitted from the list of winners in the local Science Fair held here recently. He was a gold medal winner in the intermediate class and his exhibit was entered in the science fair in Pendleton Saturday where he won a silver medal.
