Garden Club Hears Talk On Japanese Floral Arrangements

IONE—Japanese arrangements were discussed by guest speaker Mrs. Robert Brindle of Heppner at the May meeting of Ione Garden club at the home of Mrs. William Spohn with Mrs. F. T. Martin assisting hostess. Mrs. Brindle illustrated her talk with pictures and a number of suitable containers. The Japanese use a triangle depicting heaven, man and earth in their simple arrangements that stress silhouette rather than color, according to the speaker. They use an odd number of blooms in different stages of growth. To conceal the base of the stems, the frog or holder is covered with rocks or colored glass.
