

# Hunters' Safety Course Set Aug. 13-17

By LORRAINE BALL

IONE—Robert DeSpain of the Ione Sharpshooters club announced this week that classes will be given to the public this month for those who are interested in obtaining their hunter safety certificates for the coming deer and elk seasons.

The public is reminded that the new law went into effect the first of January in the state of Oregon that no one under 12 years of age may obtain or purchase a big game tag. All persons between the age of 12 and 18 must pass the hunter safety course and receive a certificate or card which must be

in their possession to hunt on any land other than their own private ground. These cards do not have to be presented to purchase a license. However, they must be in the possession of the hunter.

The course will be offered free Monday through Friday nights beginning sharply at 7 p. m. at the Ione High school August 13 through 17. No more classes will be given before hunting season for the public in Ione. All who are interested may contact any of the four Ione leaders: Robert DeSpain, Glenn Biehl, Pete Cannon or Don Ball. However, Robert DeSpain will be the main instructor.
