Here's what PP&L customer Mrs. James H. Edele says about electric living ...

"Living's wonderful in our Medallion Home... I never dreamed you could use electricity in so many ways"

"The electric dishwasher is just one of the dozens of ways electricity makes housework easier and living more pleasant in our new home. The whole family enjoys the convenience of our modern electric helpers. In counting up the many ways we put electricity to work, you can see why electric service is the biggest value in our budget."

Thousands of other Pacific Powerland homemakers, like Mrs. Edele, live better because they make generous and effective use of modern electric service.

How about you—are you making full use of Reddy Kilowatt's helpful service?
