**SKI TRAILS**

By Don Peterson, president

The ski area at Arbuckle has been greatly improved for the coming season.

The parking area has been adequately widened. We thank Kinzua Corporation and the county road department for doing this, as they have worked by the area.

Our main hill area has been increased by both length and width. The main tow line will be moved behind the club house, which will leave more of the main hill to ski on and will also alleviate the congested area in front of the club house. We will no longer have to climb through or over the tow line to get a cup of coffee.

We now have a beginners hill cleared behind the club house. There will be a bunny tow on this area which will travel slower than the main tow line to help beginners to master this boon to the recreational skier. Who wants to climb the hill!

This progress report is possible because of the burning desire of a few families to have a ski area close by. Arbuckle Ski club is clearing the hill and will install and operate the equipment. This calls for teamwork, time, and energy. In return, the community has access to a recreational activity that is truly a family sport. We can ski with less expense by developing and operating our own local area ourselves.

Come to our potluck dinner on November 13, in the 4-H room of the Fair Pavilion at 6:30, enjoy some ski movies, and come up to the hill, work day is every Sunday until the snow flies.

**Ione Grade Team To See College Game**

The Ione grade school football team will travel to Portland Saturday where they will attend the University of Oregon and Stanford University football game at Multnomah stadium Saturday afternoon. The team, coached by Les Matthews, 7th grade teacher, has been undefeated so far this year, winning two games from Arlington and two games from Heppner. They play their last game against Irrigon on Friday afternoon.

**Unbeaten Jayvees Blank John Day**

Coach Bob Cantonwine's Heppner Jayvees blanked visiting John Day on the gridiron at the rodeo grounds here last Wednesday, 31-0, completing an undefeated year for the young Mustangs.

Previous wins were a pair over Pilot Rock Jayvees and one over Umatilla Jayvees.

Heppner opened the game with a pair of touchdowns in the first quarter. Stuart Dick grabbed a 15-yard pass fired by Quarterback Don Munkers for the first tally, and Tim Driscoll ran 40 yards for the second. Neither PAT try was good.

Driscoll ran 60 yards in the

second quarter to score, and the halftime count was 18-0.

Continuing his point parade, Driscoll ran five yards in the third quarter for his third touchdown of the game, and Dick ran the extra point.

In the fourth quarter Munkers hit Bruce Spencer with a pass that covered 25 yards, and this brought the final touchdown.

The young Mustangs were credited with playing a real good defensive game by their coach. He had words of praise for Carl Bauman, Melvin McDaniel, Dean Robinson, Paul Swaggart, Simon Winters and Greg Pierce on defense.

Mark the man who is building confidence in Oregon.

Mark Hatfield's words have become deeds during his first four-year term as governor. Economy and efficiency in government are a matter of record. State taxes have not risen one penny during his administration. Services for the people were expanded within the existing tax structure.

He has presented a plan for the future, a ten-year look ahead to keep our economy rolling.

These are RECOMMENDATIONS only. Each voter must exercise his own judgment. The AFL-CIO is satisfied to present the issues and the candidates on the record. Each of the candidates we have recommended has a record in office — if he has held public office — that in our opinion served the best interests of the state and the nation. If the recommended candidate has not held public office we have judged him upon his views concerning a wide variety of issues.
