

Public Notice Irrigon Residents Attend 4-H Achievement Night

NOTICE TO MINING CLAIMANTS

Published pursuant to section 5 of the Act of July 23, 1955 (69 Stat. 367). To whomsoever it may concern: PROCEEDING NO. FS 62-27 (Oregon 012474). Notice is hereby given in pursuance of a proper request for publication heretofore filed in accordance with section 5 of the Act of July 23, 1955 (69 Stat. 367), and the regulations thereunder (43 CFR 185.123-185.127). 1. That on April 9, 1962, the Chief, Forest Service, Department of Agriculture, whose address is Washington 25, D. C., filed in the Land Office of the Bureau of Land Management, Department of the Interior, at 710 N. E. Holladay, Portland 12, Oregon, a request for publication of notice to all mineral locators or any person claiming under them involving a mining claim or claims located on lands owned by the United States and under the jurisdiction of the Forest Service in the County of Morrow, State of Oregon, described as follows, to wit: Oregon 012474 (FS 62-27), the Morrow Area, 6-SR-14-18, Umatilla National Forest, Morrow County, Oregon.

T. 6 S., R. 26 E.: SW¼SW¼ sec. 4; SW¼NE¼ sec. 5; NW¼NW¼ sec. 8; SE¼NE¼ sec. 9; E½, E½W½ sec. 12; sec. 13; E½ sec. 14; N½SW¼, SE¼SW¼ sec. 15; SW¼SW¼ sec. 19; SE¼NE¼ sec. 20; E½ sec. 23; secs. 24 to 28 incl., 33, 34, 35, and 36. T. 6 S., R. 27 E.: Secs. 1 to 5 incl., lot 7 sec. 6, S½ sec. 7, secs. 8 to 15 incl. and 17 to 36 incl. T. 6 S., R. 28 E.: Secs. 1 to 35 incl. T. 6 S., R. 29 E.: Secs. 4 to 9 incl., 17 to 20 incl., 29, and 30. 2. That if any person claiming or asserting claim, or by virtue of any unpatented mining claim located prior to July 23, 1955, any right, title, or interest in the vegetative surface resources and other surface resources, under such mining claim, contrary to or in conflict with the limitations or restrictions specified in section 4 of said act, as to the above-described lands or any part thereof, shall fail to file in the Land Office of the Bureau of Land Management at 710 N. E. Holladay, Portland 12, Oregon, and within 150 days from the below-stated date of first publication of this Notice, a verified statement which shall set forth as to such mining claims: (1) The date of location; (2) The book and page of recordation of the notice or certificate of location; (3) The section or sections of the public land surveys which embrace such mining claim; or if such lands are unsurveyed either the section or sections which would probably embrace such mining claim when the public land surveys are extended to such lands or a tie by courses and distances to an approved United States mineral monument; (4) Whether such claimant is a locator or purchaser under such location; and (5) The name and address of such claimant and names and addresses so far as known to the claimant of any other person or persons claiming any interest or interests in or under such unpatented mining claim; such failure shall be conclusively deemed (i) to constitute a waiver and relinquishment by such mining claimant of any right, title, or interest under such mining claim contrary to or in conflict with the limitations or restrictions specified in section 4 of the Act of July 23, 1955 (69 Stat. 367), as to unpatented claims located after that date, and (ii) to constitute a consent by such mining claimant that such unpatented mining claim shall be subject to said limitations and restrictions, and (iii) to preclude thereafter, prior to issuance of patent, any assertion by such mining claimant of any right or title to or interest in or under such mining claim contrary to or in conflict with said limitations or restrictions. Section 4 provides, generally, that unpatented mining claims located after July 23, 1955 shall not be used for purposes other than prospecting, mining, or processing operations, or uses reasonably incident thereto; that such claims will be subject to the right of the United States to manage and dispose of the vegetative surface resources thereof; and to manage other surface resources thereof; and that, except to the extent required for mining operations and uses reasonably incident thereto or to provide clearance for such operations or uses, claimants of such claims shall not use or dispose of vegetative or other surface resources thereof; and that, except for clearance for such purposes, any permitted severance or removal of timber must be in accordance with sound principles of forest management. Said section 4 also provides that any use of the surface of any such mining claim by the United States, its permittees or licensees, shall be such as not to endanger or materially interfere with the prospecting, mining, processing or reasonably incident uses by the mining claimant.

By MRS. ALBERT PARTLOW
 IRRIGON—The North Morrow County 4-H Achievement Party was held in the A. C. Houghton school Saturday night, November 3. The evening started with a potluck dinner held in the school cafeteria, after which the group went upstairs to the gymnasium for the program. Emcees for the evening were Morrow County Home Extension Agent Esther Kirmis, and County Extension Agent Joe Hay. According to Hay, this was the largest group to turn out for an achievement party since he has been in Morrow county.
 Kurt Gantenbien, president of North Morrow county 4-H leaders' council, gave a welcome address. Esther Kirmis led a number of "folk-songs", and introduced Mrs. Floyd Hobbs who was program chairman. Musical numbers were presented, followed by the presentation of 4-H pins and cards by the 4-H leaders.

guest of the Dave Graybeals Thursday evening.
 The Beginners Knitting class met at the home of Mrs. Louis Shade, Wednesday afternoon, with Mrs. Bill Schmeder and Mrs. Richard Ryan instructing. Mrs. Shade served punch, coffee and cookies to the 12 ladies present.

Frank Shade, Ray Shade of Reith, Jack Hinkley and Duane Hinkley of Pilot Rock, and Deane of Hermiston returned from a week-end hunting trip in the Magoon Lake area near Canyon City with 4 elk, all shot the first morning of hunting season.
 Vernon Stewart and Ben McCoy brought home a spike elk from the Kamela Area.

Mrs. Bill Graybeal has returned from Salem, where she has been with her mother, Mrs. Inez Heritage, who has been very ill. Write in Salem, she also visited

Irrigon Scouts Get Awards at PTA Meet

IRRIGON—A large group of people turned out for the Irrigon PTA meeting Monday night, October 22, with Mrs. Harold Gugle, president, presiding. Following the business session a program was given featuring the "Boy Scout Court of Honor."
 Scoutmaster Al Reeves was spokesman for the group, and presented an informative and interesting program.
 Invocation was offered by the Rev. John Kenney, after which Mr. Reeves, Troop 167 Scout-

Mrs. Jane Brownwell, and her daughter and son-in-law, Mr. and Mrs. Bill Allen and children, Linda, Larry and Gayle.

Mrs. James Forney of Arlington spent Tuesday in Irrigon with her folks, Mr. and Mrs. Earl Sanders.

Irrigon fishermen report a number of steelhead caught recently from the Irrigon boat dock, with one of the largest caught by John Hascell. Hascell's steelhead measured 38 1/4" in length, and weighed 15 lb.

master, lighted twelve candles, one for each of the twelve parts of the scout law. As the candles were lighted, the troop repeated in unison the law each candle stood for, finishing with the scout oath. The Scoutmaster then presented the Boy Scout charter to Mrs. Gugle, thanking the PTA for sponsoring the troop, and saluting them for the opportunity they have in serving the boys through the program of scouting.

Tenderfoot badges were given to David and Richard Franke, and their mother, Mrs. Lloyd Franke had the honor of pinning the badges for her boys. The badges were pinned upside down, and only after the boys have performed a good deed, can they be pinned right side up. Second class awards went to Robert Buchanan, Michael Friend, Donald Jorgensen and David Schmeder. These awards were presented by Mrs. Gugle and Mrs. Jack Gayman.

First class Scout awards, also presented by Mrs. Gugle and Mrs. Gayman, went to James Berry, George Kenney, James McRae and Glenn Schmeder. Merit badges, awarded to boys who have the initiative to get extra honors, went to James Berry, Lorin Berry and James

Defendant Acquitted In Circuit Court

Frank Russell Wood of Hermiston was found innocent of a charge of sodomy in Morrow county circuit court October 25 with Judge William W. Wells presiding. A jury returned the not guilty verdict after an all-day trial.

District Attorney Herman Winter prosecuted the case for the state and Paul Thalhofer of Pendleton was counsel for the defendant.

Mrs. Vic Lovgren, Mrs. Bob Peterson and children, Mrs. Stacey Lovgren and son returned last Wednesday after a 5-day stay at the home of Mr. and Mrs. Larry Lovgren, Louis Creek, B. C.

McRae. Ribbon awards and the 100% Boys Life award was presented to Senior Patrol Leader, Lorin Berry. Scoutmaster Al Reeves presented the trophy won by the troop to the PTA, and also presented membership cards to the committee.

The program closed with the benediction. Following the program, refreshments were served by the male members of the PTA.

Dick Ruhl Racks Up Yards Against WVU

Dick Ruhl, formerly of Lexington, made one of the best showings of his young football career at Oregon State University October 27 against West Virginia University.

He averaged 4.6 yards per carry in the times he had the ball, intercepted a pass in the game, and on one try went for 16 yards.

A report from the athletic news staff after the game pointed out, "Three OSU fullbacks—Booker Washington, Bruce Williams and Dick Ruhl—all ran well."

The Morrow county man gained additional attention over the week-end when game pictures, printed on the front page of the Portland edition of the Sunday Oregonian showed Ruhl in two action shots.

OSU downed WVU, 51 to 22.

How Super Shell's 9 ingredients can give cars top performance

POWER INGREDIENT in Super Shell works for world champion driver Phil Hill (above, in Ferrari racer). Hill, first American to win the World Championship for Drivers, relies on Super Shell. One important reason: power. Today's Super Shell contains "cat-cracked" gasoline—a power ingredient made by cracking heavier petroleum molecules into lighter, livelier ones. It works to give you the power you need for top performance.

NOISE-FIGHTING INGREDIENTS in Super Shell work for a quiet engine at all speeds. Shell scientists even use a stethoscope (above) to check effect of Super Shell's anti-knock ingredients. One of these ingredients, an anti-knock mix, is so effective that a teaspoon per gallon can boost anti-knock rating five points. Alkylate, another Super Shell ingredient, is noted for controlling knock in hot engines at high speeds better than anything else yet available.

MILEAGE INGREDIENT in Super Shell is Platformate. Shell scientists test it in many cars, many places. In a recent test in San Francisco (above), exactly 250 cc. (about half a pint) of fuel without Platformate was fed into test car. Car ran until fuel was used up, then coasted to a stop (left). Distance: 6186 feet. Test was repeated, using same blend of fuel with Platformate added. Same amount of fuel. Same car. Same conditions. In this test, Super Shell with Platformate took car 6454 feet (right), gave a mileage bonus of 4.3 percent.

TCP* AND FOUR OTHER INGREDIENTS complete Super Shell's 9-ingredient blend. TCP additive can help restore power lost due to combustion deposits—can also extend spark plug life. Butane is for quick starts. Pentane mix helps engines run smoothly during "warm-up." The gum preventive ingredient is to help keep carburetors clean inside. And, when the weather calls for it, Super Shell contains an anti-icer. That's nine ingredients in Super Shell—scientifically blended to give your car top performance.

*Trademark for Shell's unique gasoline additive. Gasoline containing TCP is covered by U. S. Patent 2889212.
