Famous Postmark

The postmark does make a difference—to thousands who mail Christmas cards from Christmas, Florida.

Each year, Yuletide greetings are accepted for mailing from the town of Christmas by the Greater Orlando Chamber of Commerce.

Christmas is located 23 miles east of Orlando. Cards which are boxed or wrapped and have the correct postage are sent to the Chamber at P.O. Box 1913, Orlando, Fla.

The cards are stamped with a special holiday cachet, in addition to the famed "Christmas" postmark.

The town of Christmas today is a symbol of peace and good will, but it was established as a Fort to provide protection against hostile Indians 126 years ago.

Savings Bonds Come In Gift Envelopes

A familiar and popular gift item—United States Savings Bonds—are available in an attractive new "package" this Christmas, according to Jack Bedford, volunteer Morrow County Bond chairman.

The package consists of a handsome new gift envelope which will be available free at local banks to purchasers of Savings Bonds to be used as gifts. Space for address and signature is also provided.

These folders will be available for all types of gift occasions, and will be kept in stock by the banks for this purpose. The folders are easy to mail, and can be slipped into a Christmas card envelope or tucked into a child's Christmas stocking.

Sew-a-longs Work On Club Projects

The second meeting of the Sew-a-Longs was held on December 8, in the Home Ec room of the high school.

There was a short business meeting in which Jane Rawlins, our leader, reviewed the years work and talked to us about our projects. The girls will be working on their practice projects until after the holidays, then they will begin on their fair outfits.

After the business meeting, the girls worked on cutting out patterns and staystitching the garments.

The next meeting will be held after the holidays.

SEASON'S GREETINGS FROM CLIFF ROBERTSON

Actor who drew one of Hollywood's most sought roles—the portrayal of Lieut. John F. Kennedy in the Warner Brothers' movie "PT 109," the story of a heroic episode of World War II—says "Merry Christmas" to his many friends by urging them to give Bonds for Christmas.

Not Horse Play—Just Reindeer Fun

No doubt with candy cane in cheek, Dr. John L. O'Hara, Nevada Department of Agriculture veterinary official, wrote Dr. Glenn B. Rea of the Oregon Department:

"We request permission for Saint Nicholas with his reindeer to pass through your state on or before December 25. . . .

Readily granted, Dr. Rea replied, adding in jovial mood: "These permits usually terminate in 30 days; however, in this case and to spread the organisms responsible for infecting people with happiness, prosperity and cooperation, this permit will be extended for an additional 335 days, at which time it shall be renewed. — Reciprocity Requested."
