

BOWLING BITS

By JO PETTYJOHN

By JO PETTYJOHN

NEW BOWLING balls seem to be the answer to helping that score! Or so Kenny Turner and Cherry Herman can now boast! Kenny, bowling for Bi-County, had a 564 series and a high game of 212! Understand this is his first time to hit over 500. Cherry, bowling for MCGG, had a 463 which was quite a jump over a mid-winter slump!

MCGG AND Eagle Valley are tied (for a little while) for first in the second half of play with a 4-win no-loss record. The teams will tangle this week as the second week of this half gets underway. Turner, Van Marter and Bryant are tied for second with three wins, one loss; and Padberg Machinery is tied for fourth, having lost all four games last week. MCGG had third high for team series of 2558 and Iris Campbell of Padberg had third place on individual game, 180.

LXINGTON OIL Co-op won one and lost three against PGG Monday night. Dean Hunt had high series of 522 (he says that isn't too exciting). Joe Engleman had a 200 game Bi-County came out better this week as they took Union Pacific R. R. three out of four. Guess they all tried to keep up with Kenny's score! The Elks keggers are not talking this week as they dropped all four to the Echo Quarterbacks. Gene Orwick didn't bowl as he was out with a back injury. As of this writing it is not known what the standings are after two nights of play in the second half. Meanwhile, everyone run out and buy that new ball to boost your team!

(Held over from last week) MEANWHILE, BACK to bowling. It just seems to get into your system! More people have shown interest in bowling since learning of the leagues. Speaking of the leagues, the men opened their second half of play Monday night and the women's teams will have played their first second-half games on Wednesday night. They closed out their first-half play last Wednesday. What a night, which saw some real good scores and the average ones, and also the standings changed, except for MCGG! They nailed

down sixth place and kept it nailed down!

Turner, Van Marter and Bryant had been leading Padberg Machinery by one-half game for the past several weeks but changed places with Padberg to finish in fourth place 1 1/2 games behind third place Padberg. Padberg had a 36 win—20 loss record and Turner had a 34 1/2 game win—21 1/2 game loss record.

TURNER, VAN MARTER and Bryant lost three to first place Eagle Valley Ranchers while winning only one. Vesta Kilkeny of the Turner team had high game, 140, and high series of 377 for their team. She said to put it in fine print as it was not too startling! Padberg Machinery bowled the Sheets Clothing team and took them three out of four with Iris Campbell topping the bowlers for high game of 181 and high series of 515. MCGG bowled Burns Mortuary and took three out of the four games to end up with a 24 win—32 loss record. June Bellenbrock had high game of 165 and Jo Pettyjohn had high series of 398 for MCGG.

IN OVERALL standings for the last week's games, Padberg Machinery had first in team series of 2529 and MCGG had third with a 2438. Padberg had high team game of 876 and MCGG had third of 864. Iris Campbell topped them all in high series with her 515, and she was second with 181 in individual games. For the first half of play Turner had high team series with a 2676. Padberg had second and third places with a 2667 and 2637. Padberg had high team game of 939 and third high of 932. Iris Campbell's 515 gave her third high in individual series and Earlene Miller of Turner is second high on individual games with a 211. Keep going in the second half!

JOHNNY LEDBETTER says he is not talking about Monday night's games! Know why, they lost three of the four to Elks! Oh, fella's it's all in the "family" you might say. Better luck next time. Oh, yes, Johnny's team is the Lexington Oil Co-op and they did have one score to shout about, that 552 series of Vernon Munkers. Jimmy Miller of the Elks team had a 512 series. Bi-County bowled Brick's Supply and came out on the short end of a three loss-one win night. Bi-County member Wes Marlatt had a fabulous game, ending up with a 232 having five strikes in succession! He left the tenth frame open, or it would have really been a score. He had a 549 series for the night.

Sherman, Heppner, Saturday, December 29, at 2 p. m., in the Immaculate Conception Catholic church, Stayton. The double ring ceremony was read by the Rev. Father Lawrence Saalfeld.

Large baskets of white chrysanthemums, stock, and greenery tinted in gold, together with red poinsettias, banking the altar, provided the floral background. Organist was Mrs. Harriett DeVito who played the wedding music and accompanied Mrs. Ken Stephenson, soloist.

The bride, escorted to the altar by her father, wore a bridal gown of antique satin, with fitted bodice and cummerbund accented in back by two self-fabric roses, with wide sash extending down the chapel train.
