**Six in County Get Vets' Loans**

The Oregon Department of Veterans' Affairs granted farm and home loans to 3,958 veterans last year in the amount of \$41,283,250, H. C. Saalfeld, director, reported today. This makes a total of 41,358 loans amounting to \$335,777,174 since the program started 17 years ago.

The volume last year was \$21 million below 1961, the record year, when 5,944 veterans borrowed nearly \$63 million. In Morrow county last year, loans were granted to six veterans in the amount of \$51,950.00, compared to six loans in 1961 for \$63,700.00. Since the program started in 1945, loans have gone to 75 veterans in the amount of \$505,350.00.

Saalfeld said that of the nearly \$336 million borrowed, veterans have repaid \$177,231,345 in principal interest. They are repaying at the rate of about \$2.8 million a month, with interest payments alone averaging around \$700,000. Of the more than 41,000 loans granted, 26,475 were outstanding December 31 in the amount of \$229,894,629.

The state veterans' loan program has earned \$10 million in reserves, including \$1,389,368 in fiscal 1961-62, the highest year to date.

**Ice Fishing Good At Bull Prairie**

According to Forest Service reports, ice fishing has been very good at Bull Prairie during the past weeks. Over 100 persons have been enjoying the sport during the week-ends and also fish during the week-days. Also many are ice skating on the pond.

The ice is frozen solidly, and fishermen set up their spots on the ice. Some of them build warm fires while they are fishing through the holes chopped in the ice. The day time fishing seems to be more successful, and temperatures are ranging around the freezing point or just below. Drinking water is available at the faucet near the cabin which has been left running. Roads are good but one should use chains.
