## Mayor Calls for Workday

By LaVELLE PARTLOW

**IRRIGON** — Chester Wilson, mayor of Irrigon, has called for a voluntary workday at the landfill in Irrigon on Saturday, March 2. This appeal is directed to both Irrigon and Umatilla as both cities utilize the landfill, and the workday is necessitated by the long use of the dump area in uncontrolled dumping, and because of the unsanitary condition existing without sufficient funds available to correct it.

Anyone owning equipment with a blade, which they would be willing to donate for the day, is urged to bring it. Logs are on the site for blocking off areas not to be dumped into, and it is hoped that a sufficient number of men will show up to make this inter-city enterprise worthwhile and that it will effect a more efficient and sanitary landfill operation.
