

Mustangs Capture Diamond Opener; Large Squad Out

Heppner High school diamondmen captured their first win of the season in the opening warm-up game Monday with Stanfield High here, 3 to 1. Fred Harnden and Ken Smith pitched no-hit ball in the abbreviated 5-inning contest as they shared mound duties for the Mustangs.

A tally by Stanfield in the fourth inning spoiled a shutout when a run came in on three Heppner errors and a walk. These were the only errors made in the ball game.

The Mustangs made their three in the final frame after Dick drove in two runs with a single. He stole home for the third score. Crossing the plate ahead of him were LeRoy Gardner and Ken Smith.

Heppner made only three hits in the game, one a double by Doug Dubuque in the first and the other a single by Harnden in the second.

Pitching was exceptionally good for the early season game. Riverside High of Boardman will furnish next opposition for the Mustangs. They will play here on Friday, March 29, at 3:30.

Coach Pete Glennie has a sizable squad out for the sport, including ten lettermen, Dick Springer, catcher; Ken Smith, pitcher; Carl Bataman, first base; Stuart Dick, second base; Shan Applegate, shortstop; Rodney Ayers and LeRoy Gardner, left field; Bill Cox, Spencer Sampson and Don Creswick, centerfield. Only third base and right field are without lettermen.

Others on the squad are Lee Dagggett, catcher; Fred Harnden, Tom Green, pitchers; Dave Anderson, first base; Sherrill McDonald, second base; Sam Strait, shortstop; Don Munkers, third base; Bill Snyder, left field; Mitchell Ashbeck and Bruce Thompson, centerfield; Doug Dubuque, Dick Struckmeier, Larry Brinda, Leland Carlson and Frank Robinson, right field. Managers are John Pfeiffer, Mike Warren and Ken Evans.

The members approved a resolution asking for a new or improved highway route to the north and calling for warning signs on the highway by the golf course near Heppner and on the stretch coming into town. The feeling was expressed that particular hazards exist on this stretch because of its curves and waves, as a number of recent accidents show.

Orville Cutsforth won a prize—a packet of pole bean seeds—for getting the most new members. About 25 were at the meeting with President Clarence Rosewall in charge.
