

### Sportsman Club Sets Meeting

First of regularly scheduled monthly meetings for the newly re-organized Morrow County Hunters and Anglers club will be Wednesday, April 3, at 8 p.m. in the county courthouse. A six-man advisory board will be established to represent each of six main committees. These will include fishing; game; water fowl and upland game birds; rifle range and hunter safety; political, membership, publicity and contests; land owner relationship and public land access. Officers elected at the reorganization meeting earlier this month are Delbert Piper, president; Clint Agee, vice president; and Mrs. Bill Sowell, secretary-treasurer. Discussion was held on providing fishing areas for children up to 16 years of age, but not inclusive. Boundaries were established at the north city limits, through Heppner, up Willow creek to the area adjacent to the red barn on the Wilkinson ranch. Dues were established at \$2 per family, \$1 single membership, and 25c per junior member.

### Geology, Art Classes Set To Start Friday

Two college extension classes start Friday night, March 29, in Heppner at the old high school building at 7:00. They are Geology 450, Rocks and Minerals, and Art 318, Painting. The classes will meet Friday evenings and Saturday mornings on alternate weeks during spring quarter, which ends late in May. Minimum enrollments of 14 each are required for the classes. Dr. Bolen, the geology professor, will bring textbooks and rock kits with him. If enough people register to make up the minimum enrollment, students will be able to purchase the material and have the first session of class Friday night.

### School Budget Has Twelve Parts; Breakdown Told

(Continued from page 1)

age is 9.7%. The current cost of \$92,500 is increased to \$101,500, primarily due to a large new building which will be in operation next fall in Heppner. Salaries of 12% custodians take \$55,800 from the budget. Fuel, lights, water, sewer, telephone and janitorial supplies account for the balance of about \$46,000.

**Maintenance of Plants**  
The maintenance of the plant provided for the care of the physical plant through such things as painting, repairing or replacing broken equipment such as doors, windows or motors or other equipment of operation. This item takes 2.2% of the school budget (\$21,100). Compared to a state average of 4%, this item will gradually increase as new buildings need work done to keep them in first class condition.

**Fixed Charges**  
Fixed charges are items in the budget which the school district is virtually required to pay, such as Social Security, insurance on buildings, and State Industrial Accident. This portion of the budget is 5.3% of the operational budget compared to 6.4% state average. The new budget calls for \$52,000 an increase of \$6500 over the current figures. Social Security takes \$19,500 of this and state retirement \$22,300. Insurance of the buildings and equipment will cost \$7500 during the next school year.

**Hot Lunch Program**  
The district pays about one-third the cost of the hot lunch program, and \$21,120 is budgeted for 1963-64 expenses, with \$18,000 of this amount going for cooks and helpers' salaries. Federal funds and student charges pay for the food used in the meals. The school obtains at low cost about \$12,000 worth of United States Government food supplies annually.

**Capital Outlay**  
Capital outlay is that part of the budget in which major purchases of the district are financed. This item is not included in determining percentages of major budget items because it is not a part of the school operation and due to the fact that the amount varies widely from year to year. The 1962-63 budget has a capital outlay of \$22,681, while the new budget is up to \$80,300 for this category. Surplus funds which the district had accumulated over a period of four years have been plowed back into this new budget for expenditure under capital outlay. A previous article explained that \$67,800 in capital outlay was to be used for equipment and building facilities at Heppner. The balance of the expenditures is for sites, remodeling, and new equipment other than for the new Heppner building. Some items of new equipment are typewriters, projectors, tables, chairs, teacher desks, filing cabinets, shop equipment, etc.

A public hearing on the budget Monday, April 1, 1963, will be held in the courthouse at 8:00 p.m., for those with questions or objections to the proposed budget.

### Meet Set Friday For Little League

Because of the conflict of the televised OSU-Cincinnati basketball game, the Little League meeting was postponed last week and has been re-scheduled for Friday, March 29, at the offices of Turner, Van Marter and Bryant. The meeting is to get going at 7:30 p.m. with much business to take care of in getting the summer program underway.

President LaVerne Van Marter urges anyone interested in working with these boys either as manager, umpire, or just willing to lend a hand in the preparation, to attend this spring organizational meeting. Also the parents of Little League age boys are asked to attend the meeting.

### Bands to Participate In Umatilla Clinic

Band students in the Heppner and Ione High schools will travel to Umatilla Friday and Saturday for band clinics, individual and mass concerts. With their director, Arngold Melby, 44 Heppner and 30 Ione students will leave by bus early Friday morning to meet with other nearby high schools in the Umatilla High school. Sectional rehearsals will start at 9 a.m. Friday morning, massed bands will rehearse in the afternoons, and each participating band will perform three numbers in the Friday evening concert.

The massed band will perform Saturday evening under the direction of Dale Newby, band director of Walla Walla, Wn. Both evening concerts will start at 7:30 p.m. at the Umatilla High school gymnasium. Admission is 50c for adults and 25c for students.

### Services Friday For Loy Turner

Loy Monroe Turner, age 75, of Long Beach, Calif., and brother of Frank W. Turner, Heppner, died early Saturday morning, March 23, in Long Beach. Services will be conducted at 1:30 p.m. Friday at West and Co. Chapel, Baker, with Joe Jewell, former Heppner minister and close friend of the family, officiating. Interment will be in Mount Hope cemetery, Baker.

Mr. Turner, son of Robert Willis and Mary May Turner, was born in Heppner November 18, 1887. He grew to young manhood here, graduating from Heppner High school and later employed as a county surveyor here following his graduation from Oregon State College as an engineer. He was married to Ella Coe of Baker, a teacher in the schools here, on June 3, 1917. They moved to Baker in 1919, where he worked for the water department as Water Master. After moving to Long Beach in 1923 he was employed as city engineer in the Long Beach water department for 39 years, until his retirement.

He is survived by his wife Ella of Long Beach; by two brothers, Frank Turner, Heppner, and John W. Turner, Baker; by one sister, Anita May LaBuisre of Eugene, and by several nieces and nephews. Attending the services from here were Frank Turner, Mrs. Virginia Turner, several other relatives and close friends.

organization; but that, beyond these, I have a moral and civic obligation to the nation which can remain strong and free only so long as public schools in the United States of America are kept free and strong.

"In view of the foregoing consideration it shall be my constant endeavor:

"1. To devote time, thought, and study to the duties and responsibilities of a school board member so that I may render effective and creditable service.

"2. To work with my fellow board members in a spirit of harmony and cooperation in spite of differences of opinion that arise during vigorous debate of points at issue.

"3. To base my personal decision upon all available facts in each situation; to vote my honest judgment in every case, unswayed by partisan bias of any kind; thereafter, to abide by and uphold the final majority decision of the Board.

"4. To remember at all times that as an individual I have no legal authority outside the meetings of the Board, and to conduct my relationships with the school staff, the local citizenry, and all media of communication on the basis of this fact.

"5. To resist every temptation and outside pressure to use my position as a school board member to benefit either myself or any other individual or agency apart from the total interest of the school district.

"6. To recognize that it is as important for the Board to understand and evaluate the educational program of the schools as it is to plan for the business of school operation.

"7. To bear in mind under all circumstances that the primary function of the Board is to establish the policies by which the schools are to be administered, but that the administration of the educational program and the conduct of school business shall be left to the employed superintendent of schools and his professional and non-professional staff.

"8. To welcome and encourage active cooperation by citizens, organizations, and the media of communication in the district with respect to establishing policy on current school operation and proposed future developments.

"9. Finally, to strive step by step toward ideal conditions for most effective school board service to my community, in a spirit of teamwork and devotion and devotion to public education.

### HOSPITAL

Patients admitted to Pioneer Memorial hospital for medical care during the past week were the following: Martha Cole, Heppner; Robert Mizner, Fossil; Walter Mead, Hermiston; T. W. Lowe, Heppner; Rose Marie Stroeber, Heppner; Iris Miller, Lexington; Mitsuko McLaughlin, Condon; Donald Van Winkle, Lexington, and Gladys Snider, Ione.

Those dismissed during the same period were: Judy Gentry, Heppner; Pearl Stears, Heppner; Genevieve Jessup, deceased; Wendy Christopherson, Ione, and Edna Garrison, Heppner. A son was born to Mr. and Mrs. Billy Joe Rietmann, Ione, on Thursday, March 21. He was named Gregg Alan and weighed 8 lbs., 14 oz.

Funeral services were today (Thursday) at the Colton Community church at 1:30 p.m. with Creswick Mortuary in charge of arrangements.

She was a teacher for Clackamas county school district 92 for the past 1½ years after moving to Colton with her husband from Vandalia, Mich. Mrs. Jessup had taught in Michigan for 19 years and she and her husband had more recently been in the restaurant business there for 14 years.

Mrs. Jessup was born December 26, 1902, in Allegan, Mich., daughter of Mr. and Mrs. Albert Lutkins, and was married to Max Jessup at Marcellus, Mich., on June 24, 1926.

Surviving are the husband, Max Jessup of Colton; a sister, Mrs. Thelma Volker of Colton; and the brother, Cecil Lutkins of Ione.

Mr. and Mrs. Jessup had come to Ione on the visit during her spring vacation from teaching.

The body was to be shipped to Cassopolis, Mich., for interment.

"This charge is rather vague; however the School Board has operated a bus from the Lexington are to both Heppner and Ione. It is obvious that this is unnecessary for the education of the children involved. Perhaps the board should assign the students to one school or the other.

"I hope this clarifies my actions as a school board member of this district.

Sincerely,  
Fredrick T. Martin

Guests of Mrs. Millie Doolittle over the week-end were her son and family, Mr. and Mrs. Paul Doolittle and sons, Dennis and Ronald, Portland.

### Elsie Jessup Dies In Hospital Here

Elsie Genevieve Jessup, 60, of Colton, died Monday in the Pioneer Memorial hospital after becoming ill while on a visit with her brother, Cecil Lutkins of Ione.

Funeral services were today (Thursday) at the Colton Community church at 1:30 p.m. with Creswick Mortuary in charge of arrangements.

She was a teacher for Clackamas county school district 92 for the past 1½ years after moving to Colton with her husband from Vandalia, Mich. Mrs. Jessup had taught in Michigan for 19 years and she and her husband had more recently been in the restaurant business there for 14 years.

### Mustangs to Play Two Ball Games

Baseball games with Riverside high school have been set for Friday and Saturday. Coach Pete Glennie of the Mustangs announces, The Heppner High diamondmen will play Riverside on the Heppner field Friday at 3:30, weather permitting. On Saturday the Mustangs will go to Riverside for a return game, starting at 12:30 p.m.

### Young Church Groups Have Vacation Outing

Young people of the Christian Scout and Missionette clubs of the Assembly of God church had a spring vacation outing Friday afternoon through Saturday noon.

The Scouts, accompanied by Rev. Bill Alsop and Ray Barnett, camped out at the Sid Zinger ranch in the mountains Friday night, then continued on a fishing excursion to Bull Prairie the next day.

Missionettes club held a slumber party at the Zinter home west of Ione, with games and wiener roast Friday evening, topped off by a pancake breakfast the next morning.

The combined groups numbered 44 young people and four counselors.

Laura Lee Sumner and John Cleveland were among those playing in the all state high school band which performed in Portland last week for the Oregon Education Association programs.

Chuck Higginbotham of Hermiston and Gus Wahner of Stanfield visited their grandparents, Mr. and Mrs. Marian Finch during their spring vacation.

Visiting for a short time with Mr. and Mrs. Wes Sherrnaa Thursday were Mr. and Mrs. Martin Jurgenson and son of Dallas, Jurgenson and Sherrnaa, formerly worked together at the Itemizer-Observer in that city, and coincidentally, he arrived here just as the Miehle press was being installed. It was in use in Dallas during the time they were together there.
