### District Director Makes Official Visit To Soroptimist Club

She met with board members Wednesday evening at the home of the club president, Mrs. Jim Hager, and spoke at the conclusion of the regular business meeting Thursday noon.

She challenged club members to "take off the aprons and get out of the kitchen, become active in civic affairs of town and state and raise the standards of working women whenever possible." She encouraged the club to have representatives present at Chamber of Commerce meetings, and voice opinions on issues in which they should have concern, in what is so often known as the "man's world."

Discussion was held and plans made for the baked food's sale at Central Market, Saturday, April 13, starting at 10 a.m. With Mrs. Bill Collins presiding in the absence of the president, plans were also discussed for entertaining the high school youth at the Elks Temple on Saturday evening, April 20, and junior high youth on Saturday, April 27.

### BOWLING BITS

By JO PETTYJOHN

WHEW! DID Padberg Machinery bowl up a storm last Wednesday night! Every other team (and Burns wished they were not there) were glad they were not meeting them! Just think MCGG gets to tangle with them this week. Is there any other way out? MCGG shocked Sheets by taking all four which was really a record because Sheets had blanked MCGG three times previously! Guess enough was enough. Turner, Van Marter and Bryant got back into the win column after quite a dry spell as they took three from Echo Meat Market.

ALL THREE men's teams did real well as Lexington Oil won all four, Bi-County upset first place Hi-Ho by taking three of four, and Elks got a tighter hold onto second spot as they took three from P.G.G. Lexington Oil, paced by Dean Hunt's 224 game and 540 series, swept the Quarterbacks all four games and remain in third place. Bi-County, in their upset victory, almost made it a clean sweep as they lost one game by only ONE pin to the league leaders. Bob Kilkenny had high game and series. Wes Mariatt says he (Bob) is always high man, but no one knew the scores. Bob did have one frame of 211 to win a case of Coke. The Elks boys had two tie for high series, Jimmy Miller and Art Watkins, with a 488, and Gene Orwick came up with high game of 200, looks like he needed 11 more pins to get the Coke! The fellows wind up play Monday and trophies

will be presented at the bowling banquet May 4 in Pendleton.

MEANWHILE BACK to that sizzler the Padberg showed all last week, they scorched first place (not anymore) Burns by winning all four with two 1,000 games! In the first game they had 1,002, then 1,003, and finished with an 894. Vonnie Lovgren has high game and series of the year with a 225 and 578 and in the first game in the ninth frame, all five of the team scored strikes! Lorine Ledbetter made Queen's row with her 197. Just everyone was bowling up a storm. Padberg is now in first place. MCGG broke up the tie for fourth place with Sheets as they swept past them with four wins and are in fourth all alone. Lois Hunt had high game and series of 182 and 458. Turner took three from Echo Meat Market with Earlene Miller getting back into the swing with high game and series of 176 and 456. They are in sixth place. The gals will bowl this week and have one week left. Right now each game is crucial as the top four teams are only four games apart!

### Little League Sets Call For Tryouts

Following a meeting Friday night the managers issued a call for Little League baseball tryouts this Saturday, April 13, at the Little League field. All boys, between the ages of 8 and 12, who are not now on a team, are invited to try out at 2:00 p.m.

Howard Pettyjohn will manage the Braves, David McLeod will have the Dodgers, and Wayne Ball and Ernie Snow will manage the Giants. As yet the Indians, made up of Lexington and Ione boys, do not have a manager. Pete Glennie and Bill Johnson both offered their assistance in working with all of the teams on baseball "know-how." David Eckman and Bunny Steers will work with the farm team which is comprised of 8-year-olds and the 9-through 12-year-olds who are not on a Little League team.

The three Heppner team managers will select their needed players to fill out their 15-man rosters at the second tryout which is scheduled for Saturday, April 27. The teams will then begin practice for approximately two weeks with games to start near the middle of May. This begins the two month baseball season for the Little Leaguers which is divided into two 9-game sections. All-Stars are then selected from these four teams to compete in tournament play in The Dalles in late July.
