

Boardman Church Observes Easter

By MARY LEE MARLOW
BOARDMAN—The Boardman Community church held sunrise services Easter morning at Wayside Park east of Boardman at 6 a.m. About 40 attended. Mrs. Howard Yates of Olympia, Wn., sang three numbers, playing her own accompaniment on the accordion. Rev. Herman R. Burg was in charge of services. The church choir sang "Lead Me To Calvary."

Following services breakfast was served at the Greenfield Grange hall by the senior Young People's group of the church. The Sunday school presented a program on the theme, "Easter On My Head," at the 10 a.m. service. Following Mrs. Yates and Carolyn Burg presented an Easter concert on the piano and organ. Mrs. Yates sang several numbers. The choir sang "The Redeemer Liveth."

Confirmation services were held at the Good Shepherd Lutheran church Sunday evening for Linda Tatone and Sharon Donovan. Sharon was also baptized. Services were performed by Rev. Arthur T. Lewis of Pendleton. A reception was held following at the church. About 45 attended.

Children Join in Hunt
 Seventy children of pre-school age and grades 1-4 participated in the Easter Egg hunt on the school grounds Saturday, sponsored by the Boardman Tillicum club. Donnie Russell found the most eggs in the pre-school group, and Ronnie Williams in the school group. All children were given a chocolate egg as a treat. Mrs. LaVern Partlow was in charge of the hunt, and Mrs. Ronald Black was in charge of gifts.

LT. JOHN GALLAGHER

Lt. John Gallagher Gets Pilots Wings

Second Lieutenant John A. Gallagher of Spokane, Wn., has been awarded United States Air Force pilot wings following his graduation from pilot training at Williams Air Force Base, Ariz. Lieutenant Gallagher flew T-37 and T-33 jet trainers during the year-long flying training course. He also received special academic and military training. The lieutenant is being reassigned to Naha AB, Okinawa, for further training in C-130 aircraft.

He is the son of Mr. and Mrs. John W. Gallagher of 3716 S. Sky View Drive, Spokane. A graduate of Lewis and Clark High school, he received his B.A. degree from Washington State University. He is a member of Tau Kappa Epsilon. His wife is the former Donna Mae Wieland, daughter of Mrs. Mida L. Wieland of Ione.

Serves On Transport

Raymond L. Cole, engineman second class, USN, son of Mr. and Mrs. Clyde R. Cole of Heppner, is serving aboard the attack transport USS Henrico, which departed San Diego, Calif., March 26, for a seven-month assignment with the Seventh Fleet in the Western Pacific. While on the Far Eastern cruise, the Henrico will serve as flagship of Amphibious Squadron One. She is slated to return to her home port, San Diego, in early November.

Oregon's Cattle Total Unchanged

Oregon continued in 29th place nationally in its cattle totals in 1962, and its number of cattle was 1,435,000, the same as the previous year, despite the national increase in 1962. Figures received by the Oregon Department of Agriculture from the U. S. Department of Agriculture listed the nation's total at 104,754,000 as of January 1, 1963. The previous year it was 99,500,000. Texas was the leader in the nation with 10,240,000 head.

Beef cattle numbers showed an increase in Oregon in 1962 but the state remained in 21st place nationally. The Oregon total at the beginning of 1963 was 1,170,000 and the national figure 74,907,000. January 1, 1962, 1,157,000 beef cattle were listed for Oregon. Figures for milk cows two years and over in Oregon showed a decline in 1962, dropping from 170,000 to 162,000 from January 1, 1962, to January 1, 1963. However, the states remained in 32nd place nationally. Total figures for the nation the first of this year were 18,730,000 and Wisconsin was the leading state with 2,426,000 head. Oregon moved into the 13th spot nationally from 14th place in the number of sheep reported, but the total number of sheep and lambs in the state showed a decline. The January 1, 1963, figure was 777,000 compared with 851,000 the previous year. Nationally, too, the number was down.

TOTAL PERFORMANCE:

FORD GALAXIE 500/XL SPORTS HARDTOP

YOU'LL KNOW WHY SHE DOESN'T FEEL THE BUMPS...WHEN YOU TEST-DRIVE FORD'S NEW \$10,000,000 RIDE

The 1963 Ford gives you a ride every bit as smooth as cars costing hundreds more, and for two reasons: a revolutionary new suspension system . . . and added road-hugging weight.

It took ten million dollars to develop the new Ford ride. We designed a revolutionary new suspension system for the '63 Ford. Where ordinary suspensions move only up and down to absorb road shock, the Ford suspension moves backward as well. In this double-action suspension system, coil springs up front and leaf springs in the rear combine to give you firmness in cornering and a special smoothness over the road.

We added weight, strength and stability. The new Ford is now actually hundreds of pounds more car than any other car in its class. This remarkable weight advantage is in the suspension, frame, and body. And, as you know, this added weight means a more stable ride.

But a solid, road-smoothing ride is only part of Ford's total performance story for 1963. Look how Ford swept the field this

year in the grueling Daytona, Riverside and Atlanta 500's and in the demanding Pure Oil Performance Trials. Only a car with total performance—the best combination of strength, balance, precision control, braking power and road-clinging suspension—could roll up so many wins.

Before you buy any new car, test-drive a Super Torque Ford. If you haven't driven one lately, you can't really know what a new Ford is like. Make this important discovery—if it's built by Ford, it's built for performance . . . total performance.
