Mac High Nine Blanks Mustangs

Mac-Hi of Milton-Freewater blanked the Heppner Mustangs Tuesday afternoon in a baseball game on the Mac-Hi diamond, 6-0, although the winners outhit Heppner only 3 to 2.

One bad inning—the third—accounted for most of the difference. The winners took advantage of three walks, a lone single, an interference call and an error to score four runs. The only two other runs in the contest were scored as single tallies in the fourth and sixth innings.

Fred Harnden went the distance for the losers, allowing only three hits and walking six. Mac-Hi had split a pair with Pendleton the day before and would have won both except for an error in the one that was lost.

Coach Pete Glennie credited Catcher Dick Springer with a fine ball game, probably his best on the diamond to date. Heppner's lone base hits were singles by Harnden and Bill Cox. One Mac-Hi connected for a double, the only extra base blow of the game.

23 Aspirants Out For Little League

Some 23 young baseball aspirants were watched and helped Saturday afternoon by Wayne Ball, Howard Pettyjohn, David McLeod and Bill Scrivner, Little League managers.

The boys were given a chance to throw and catch and also had some batting practice. The next tryouts will be April 27 at the Little League field. Any boys between the ages of eight and 12 inclusive, before August 1, are invited to try out for a team on that day. The three Heppner managers will select the boys to fill out their team roster later that day.

A general workday at the field is called for Saturday, April 27, beginning at 9:00 a.m. Fathers of Little Leaguers and those trying out are asked to come with hammer and shovels to help get the field ready for spring play. President LaVerne Van Marter says the work-day crews have been small in the past and he urges all fathers, of the some 70 boys who participate in this summer program, to help in the field preparation.
