

Boardman Council Approves Bureau Zoning Project

By MARY LEE MARLOW
BOARDMAN—A letter was read at the meeting of the City Council last Tuesday night from Mark Westling of the Bureau of Municipal Research requesting authority to continue the project Oregon 20, which is an urban planning program financed partly by the city and partly by federal funds. It includes zoning work, sub-division, building codes and a refined design of the town, with special emphasis on the commercial area. The council voted to turn the matter over to the city planning commission.

It was reported to the council that high school students and other young drivers around town are speeding their cars up Main Street and other streets in town, endangering small children. Vernon Russell, police commissioner, was appointed to investigate the matter and see what could be done to put a stop to it.

The council had a special meeting with the planning commission May 14 preceding the meeting of the budget committee.

GAA Installs Officers
 Mrs. Della Lindsay's Home Economics class of Riverside High school presented a style show in the gymnasium Thursday afternoon, theme of which was "Sweet and Lovely." The girls modeled clothes which they had made, which included sportswear, sleep wear, dresses, suits, and dresses for tiny tots. The latter was modeled by various little girls, and one tiny baby. Wilma Fegert was narrator. Mrs. Lindsay was presented with a gift by the class.

Following the style show GAA officers for next year were installed as follows: president, Sharon Donovan; vice-president, Wanda Davis; secretary-treasurer, Dewena West; points chairman, Susan McCoy; sergeant-at-arms, Gloria Hascall. They were installed by this year's officers, Dorothy Rash, Sharon Donovan, Janice Parker, Sandie Thorpe and Wanda Davis.

The afternoon concluded with a Mother-Daughter Tea served by the GAA class.

Student body officers for next year have been elected as follows: president, Allyn Hobbs; vice-president, Terry McCoy; secretary, Susan McCoy; treasurer, Sharon Donovan.

Cheerleaders elected were Sharon Donovan, Wanda Davis, Paula Williams and Pat Miller.

Mrs. Zearl Gillespie was hostess for the Home Economics club of Greenfield Grange Wednesday afternoon at her home, with Mrs. Florence Root as co-hostess. Visitors included Mrs. Golda Cox, Seattle, Wn., Mrs. Eva LaChance, La Grande, Mrs. Maureen Jones and Mrs. Rollin Bishop.

The club voted to give a donation to the Muscular Dystrophy fund.

Hostesses for next month will be Mrs. Walter Hayes and Mrs. Frank Marlow.

The Mothers' club of Boardman Grade school met Tuesday afternoon of last week at the school. Hostesses were Mrs. Jim Harper, Mrs. Gene Hilgel and Mrs. Gunnar Skoubo.

Final plans were made for the May Day Festival to be held May 17.

Plans were formulated and a survey to be taken to see if it will be feasible to take a school bus of children to Hermiston for swimming lessons this summer. It will be for children of grades 1-6, and will be sponsored by the club. Mrs. Vernon Russell

Counselors to Train At Cutsforth Park

An opportunity to learn a few fundamentals of camp counseling is being offered to older 4-H boys and girls this early summer in the form of a two-day counselor camp to be held at the Cutsforth Park, Heppner, on June 18 and 19, according to Esther Kirmis and Joe Hay, county extension agents.

Four-H boys and girls, 14 years of age or older (as of January 1, 1963) from Morrow, Gilliam, Sherman and Wheeler counties are invited to take part in this event, says the agents. Walt Schroeder, state 4-H club agent, who has had a great deal of camping experiences, will direct the retreat. Agents from the four counties will also serve in a teaching role.

Activities for the two-day event will include setting up camp, objectives of camping, counselor responsibilities, flag etiquette, working with boys and girls, planning evening program and ceremonies, singing, outdoor cookery, craft training, camp informs Miss Kirmis.

At the close of the training we will pick ten counselors to serve at the Morrow County 4-H camp of June 30-July 3, Hay points out. The other counties, who will have a joint camp, will also pick ten from the other three counties. We cannot, of course, use all the high school 4-H members that will take part, he continues, but each will be considered for oncoming years.

The suggested age for counselors is 16, but sometimes we have to dip down to 15-year-olds. The camp fee for this retreat is \$2.00. Any older 4-H member that is interested in this training is asked to fill out the application blank sent him earlier and return it and the \$2.00 fee to the county agent's office, Heppner, by June 1, say the two agents.

Mr. and Mrs. George Krebs, Portland, visited at the home of Mr. and Mrs. Elvin Ely last Wednesday on their way to Walla Walla, Wn.

Mr. and Mrs. Tony Bronco of Arcata, Calif., visited four days last week at the home of Mrs. Brane's parents, Mr. and Mrs. Henry Gartenbein.

Visitors last week at the home of Mr. and Mrs. Elmer Messenger included Mrs. Messenger's sister, Mrs. Celia Macken and Bob Victor of La Grande, and Messenger's brother and sister-in-law, Mr. and Mrs. Roscoe Messenger of Hood River.

Mr. and Mrs. Dewey West attended Parents' Week-end in La Grande where their son Larry is a student at Eastern Oregon College.

Members of the Boardman Tillamook club that attended the Oregon Federation of Women's Clubs convention in Eugene May 8-9 were Mrs. Dewey West, Mrs. Ronald Black, Mrs. Joe Tontone, Mrs. H. M. Walker and Mrs. Ralph Skoubo. Mrs. Sigvald Aase of Touchet, Wn., also attended.

Mr. and Mrs. Frank Marlow left Friday for Medford to spend the week-end at the home of their son and daughter-in-law, Mr. and Mrs. Harold Marlow.

Greenfield Grange met Thursday night at the hall with Mrs. Zearl Gillespie and Mrs. Florence Root as hosts for a potluck supper at 6:30.

Roy Means, Redmond, state deputy and state steward, was a guest.

The Facts Say, Vote YES On 1964 Wheat Referendum

A 'Yes' Vote Would Mean:

- FACT:** \$2.02 for 80% of your average wheat production; \$1.32 for balance of wheat produced.
- FACT:** The new 1964 feed grain bill passed by the House of Representatives permits substitution on barley acreage of wheat also supported at \$1.32.
- FACT:** A reduction of the Nation's wheat surplus by about 150 million bushels yearly, thereby reducing government costs.
- FACT:** A program Oregon wheat growers have worked toward for over 30 years.

A 'No' Vote Would Mean:

- FACT:** Wheat acreage allotments would remain in effect.
- FACT:** Loss of price support and a partial loss of wheat base to non-compliers.
- FACT:** A possible loss of \$1,500,000 to the economy of Morrow County.

WHO CAN VOTE:

All wheat growers who have an interest in the wheat production on a farm with a 1964 wheat-acreage allotment, including landlords and tenants, man and wife if both names appear on a deed or lease.

GAINS COMFORT FROM CALL

"Of course I dot a code in my head, but dank you for calling," was the happy grandmother's reply to an unexpected long distance call from her son and his family. It wasn't Mother's Day or even Christmas. They just had the impulse to keep in touch, and the kids wanted very much to talk to Grandma. Even with the pleasant weeping caused by this call, her voice sounded good to everyone. Have you shared some tearful happiness with your folks lately? Call this evening, after 6, when the rates are lower. PACIFIC NORTHWEST BELL
