

AMONG STARS on the East squad of the Shrine game in Pendleton on August 24 will be John Porter, big guard from the 1962 Heppner High football team.

Porter Prepares For Shrine Game August 24

Although the East-West Shrine football game in Pendleton is still more than three months away, John Porter of Heppner, named to the East squad as a lineman, is already starting preparations for the game.

Porter is the only selection for the August 24 game from Heppner, although Ron Crabtree of Ione is an alternate.

The 18-year-old gridman is son of Mr. and Mrs. Raymond Porter and has lived in Eastern Oregon all of his life. He bolstered the Heppner squad when he transferred here from Pilot Rock during the last half of his junior year.

Porter, who plays guard on offense and center on defense,

completed four years of high school football with the 1962 season. He won his letter at Pilot Rock during each of the first three years and finished with a big "H" from Heppner.

John also has letters for three years each in basketball and track.

Organizations in which he has participated in high school include the Order of "R" at Pilot Rock and photography club there, and the "H" club, annual staff and paper staff at Heppner high.

His favorite subjects in school are English and American problems. As to future plans, following his graduation late this month from the new Heppner High school building, John expects to enroll in either Eastern Oregon College or Columbia Basin Junior college, perhaps later transferring to Washington State University.

As he looks forward to the coming big game, John gives a great deal of credit to his father. "He taught me all I know about football," he said.

Burns Nine Dumps Mustangs, 18-6 In Season's Final

Hopes of Coach Pete Glennie's Heppner High baseball team to edge into a first place tie at the finish of the Greater Oregon league season were rudely shattered Saturday when the Burns Hillanders shellacked them 18-6 at Burns in a game that only went 2½ innings.

Ken Smith, Fred Harnden and Bill Snyder saw action on the mound for the Mustangs in the short contest, but Burns, trailing 1-0 in the bottom of the first, went to work and shoved over five runs in their first time at bat.

Heppner went down in order in the second inning, but Burns' big stickers came back with a nightmare inning for Heppner, tallying 13 runs on six hits.

The Mustangs staged a rally of their own in the top of the third and managed five runs to make it 18-6, but the game was called at that point.

The contest had been scheduled to start at 11 a.m. so that the Heppner diamondmen could get back in time for the junior-senior prom that night but it didn't begin until 1 p.m.

Even quitting after 2½ innings, the team didn't get home until 8:30 p.m.

Woodfin, on the mound for Burns, gave up only one hit, that to Dick Springer in the third. The Hillanders connected for eight bingles.

Coach Glennie used every man on his squad in the season's finale. The loss brought the season's league record to an even 2-2 and the overall record, including non-counters, to five wins and six losses.

Pilot Rock and Sherman County tied for the western division championship in the circuit and must play off for the title.

Score:
 Heppner 1 0 5 R H E
 Burns 5 13 18 8 3

Batteries:
 Heppner—Smith, Harnden, Snyder and Springer, Daggett; Burns—Woodfin and Brinkley.

Ione Vaulters To Try for Mark

Tom Heimbigner, Ione High school pole vaulter whose best efforts this year top the state B track meet record, will try for a new state record at the annual high school B meet in Bend Saturday.

He and teammate Joe Halvorsen were the only ones to qualify for the state meet with the performances at the district meet at Umatilla Saturday.

Heimbigner broke the existing district vault record with his 11' 9", three inches better than the previous mark of 11' 6". The state record is an even 12 feet, but Heimbigner has gone 12' 3½" in practice this week, Coach Glenn Biehl said.

Halvorsen took a second in the 120-yard high hurdles to qualify for the state meet in that event. He ran it in 17.5.

Halvorsen, a sophomore, will compete at Bend in preliminaries Friday evening, and Heimbigner will perform Saturday morning.

Over The Tee Cup

By DEE GRIBBLE

Golf is like a disease—there's very little cure. Sunshine helps, and this last week-end there was lots of it. Many enjoyed our course.

On Tuesday, the ladies met at 9:30 (which will be our permanent tee-off time through the summer.) There are 11 sunburned noses that I know of. Joining us for the first time, and incidentally her first game in 30 years, was Mrs. Ethel Rose, and her daughter, Betty. They are both nurses at our hospital and it's a wonderful way to relax after a strenuous day with medicine.

Golf balls were won by Lois Hunt for most 7's, and a tie between her and Hester C. for a nine on their cards (which means lots of trouble.) Hester won the flip.

Our new score cards are now in use, the rules of play are plainly stated and makes it easier to score.

Playing Tuesday were Ethel and Betty Rose, Hester Creswick, Cork Norene, Lois Hunt, Juanita Martin, Marie McQuarrie, Hazel Mahoney, Cora Mae Ferguson, Helen Schaffitz and Dee Gribble.

Sunday afternoon five couples played late in the day. Bev Gunderson was surely hitting her tee-off shots a "fur" piece—Ed gifted her with a box of fur trimmed tees.

You've heard of Johnny Appleseed? Well, we have "Weeping Willow Don." Don Turner planted five of the 12 Willows purchased by Ed Gunderson, Lowell Gribble and Don. He was mighty unpopular when he phoned the group in the early hours Sunday morning to help plant, but he got the job done, lonesome like.

Kinzua will be guests of Heppner, with play on Sunday. Golfers, please turn out to make this a successful day.

Willow Creek is a "million dollar stream," there are so many golf balls in it!

Ponies Take Condon In Return Game

Coach Tom Hughes' Heppner grade school Ponies avenged their 8-6 baseball defeat at Condon last week as they scored a 2-0 win over the Condon graders Saturday behind the 1-hit pitching of Jim Doherty. This ended the graders' baseball play for this season with a record of five wins and one loss. They defeated Pilot Rock and Ione each twice and split with Condon.

Doherty helped his cause in the third inning with a steal to second. Leonnig had hit to second when Doherty got to first in a Condon error. When Doherty stole second, Leonnig went home. In an overthrow to second Doherty scored the second run to put the Ponies in front. The Condon boys were up and down in order in the third. Logan got on with a single in the fourth and Humphrey was hit by a pitched ball but died on base as the next two men up were put out. In the fifth Doherty struck out the first three men to face him to end the game.

Heppner got Steve Pettyjohn on in the fourth via the walk route but was held scoreless. Steve Wagenblast was hit by a pitched ball in the top of the fifth but was put out trying to steal second which brought Kit Anderson to bat. He got on with a bunt single and failed to make it home as Leonnig fanned and Doherty tied to left. Doherty held Condon scoreless on one hit, three walks, and 10 strikeouts. Rinehart for Condon gave up two runs on two hits, three walks, and four strikeouts.

Eighth graders seeing their last grade school action were: Jim Doherty, Jeff Turner, Rick Johnston, Dennis O'Donnell, Roger Leonnig, Steve Wagenblast, Stan Rauch, Nalbro Cox, and Dennis Carlson.
