

School Election Dated June 22; Filing Time Near

total to nine and provide a quorum to conduct business.

A budget committee meeting that had been set up for Thursday, May 16, was called off after the resignations, but the chairman has the power to call other meetings ahead of the election of directors.

Frank Anderson, chairman, could not be reached Thursday morning, and thus, his plans are not known.

However, it would be possible to have a budget ready to submit to the voters at the time of the director election on June 22. If the district waited until after the election of directors, the earliest it could act on the re-submission of the once-defeated budget would be July 13.

Assessor Rod Thomson said Tuesday that the deadline for receiving the school budget is July 15, but he indicated that it might be possible to accept it for some time after that. Figures from the budget are necessary, of course, for him to prepare the tax roll that must be out in October.

Anyone wishing to nominate candidates for the director posts should obtain petition blanks from the office of Mrs. Gundersen in the courthouse or from any of the school buildings in the county. The candidates must come from one of the four zones mentioned above, but they will be elected at large with all voters in the county casting ballots on each of them. It is not necessary for the petition to originate in the zone for which it seeks to nominate a candidate. Thus, it is possible for Boardman citizens to circulate a petition for Heppner candidates, for instance. It must be remembered, however, that these petitions must be in the clerk's office by Tuesday, May 21, to be valid for the election.

Plans Underway For Flower Show

"Symphony in Flowers" is the theme of Heppner's show of early summer flowers to be staged in the show rooms of Heppner Auto Sales on June 1. This is the second public flower show to be sponsored by the Sew-Along Flower Growers 4-H club as a community service project. The show will include classes for both adults and juniors in horticulture and arrangement, where the musical theme will be carried out in song titles.

New this year will be gift certificates given by Cornett Green's Feed Store for the exhibitor winning the most blue ribbons in horticulture, and prizes by Helen Cox Flowers and Gifts to winners in arrangement divisions of both junior and adult sections. The door prize will be given by Jack Bailey of Heppner Flower Shop.

Entries will be taken from 8 to 10 a.m. The show will be judged by an accredited judge at 11 a.m. and will be open to the public from 2 to 5 p.m. A silver tea will be served by the girls with any money received above the cost of the show given to the International Farm Youth Exchange program.

Co-chairmen are Jean Stockard and Mrs. William Rawlins, club leader. Assisting are Mrs. Wallace Wolf, Mrs. Fred Gimble, Mrs. Riley Munkers and Mrs. Ralph Thompson. Club members working hard on the plans are Judy Smith, Margaret Green, Lynn Burkenbine, Rogena Wilson, Carol Rawlins, Susan Drake, Nonda Clark and Joan Stockard. Others wishing to help or have questions may contact Mrs. Rawlins. Schedules will be mailed soon.

resign. They will be unable to do so until there is a board of directors with a quorum to act on the resignations. Non-certified personnel of the district, including cooks, bus drivers, custodians and others, have been given 30-day notice that they may be without jobs after July 1. This led to the rumor that they had been "fired," but this is not true. The step was taken, as it was two years ago when there was difficulty passing the budget, because the district is required by law to give 30 days notice. Should a budget not be passed by July 1, the district would not have operational funds available to pay the non-certified personnel, and this action, then, is a legal precaution. If the budget is passed, as the employees were notified, they will be considered again for the positions they now hold.
