## Over The Tee Cup

By DEE GRIBBLE

After much telephoning to get the men lined up, ten of our golfing cubs drove to Umatilla May 26 for a tournament at McNary golf course. I'm not sure of the following facts, as I've not been able to track down the winner, but feel that Darrell Reisch was double winner with low net and gross. Several hit the green for golf ball rewards, and a good time was had by all. A strong wind helped keep the mosquito barrage at bay.

The golfers that didn't go were many, but helped keep our course busy here. One group of six players plus as many "teenage caddies" were having a terrific time.

Last Tuesday 11 "sun-lovin'" ladies played, with Kay Anderson and Roberta Dougherty furnishing punch and coffee at our favorite spot. High gross was won by Roberta, and Donna McCurdy was a tie between Donna McCurdy and Hazel Mahoney. Others playing were LaFyrne Pratt, Kay Robinson, Cork Norene, Marie McQuarrie, Lois Hunt, Betty Rose and myself.

Dues are due again for some. Please check your cards and then send a check to Donna McCurdy if yours are due.

Our course hasn't been in such good shape for a long time, due to the tireless effort of a good many men. Included are "Hutch" for mowing and watering; Frances Doherty for hand mowing around the greens; Judge Carmichael, Grib, Clint McQuarrie and Ed Bennett for trapping the gophers; and Raymond Ferguson for hauling sand and keeping up the sand green. What do you do?

HAVE HEARD . . . that L. Van Marter, Sr., had a slight accident—wonder if he can play golf and balance on crutches. Hurry up and get well, Van, your foursome misses you . . .

that Betty Rose really got the word blow for blow on Ladies Day and improved greatly before the nine holes were over . . . that Lois played her first nine and stayed out of the creek . . . that Donna McCurdy has an "eye for putts" . . . that it got awfully hot before they all got finished last Tuesday. Want to start earlier, gals?
