

## Valby Dedication Attracts Many Sunday, June 9

Following the worship services on June 9, members and friends of Valby Lutheran church gathered for a delicious smorgasbord prepared by members. Lovely arrays of flowers made up the table decorations for the dinner in the parish hall.

At 2:00 p.m., the congregation gathered for the dedication service in the sanctuary. Following the invocation and opening hymn, "Built on a Rock the Church Doth Stand," the 84th Psalm was read responsively and the Gloria Patri sung.

Scripture lessons were read by Gerald Peterson, Rudolph Bergstrom, and Don Peterson. Roland Bergstrom then led the congregation in prayer.

Following the Nicene Creed, Dr. and Mrs. Burdett Johnson, guests from Portland, sang a duet, "The Prayer Perfect." Mrs. Johnson also sang a solo during the morning worship, "How Lovely Are Thy Dwellings."

The chairman of the congregation, Paul Tews, introduced each of the day's speakers. First to speak was Henry Baker who gave an interesting review of Valby's history from earliest days to the present. Thanks were expressed to the many members who had helped in the recent building and remodeling. Pastor Kenneth Robinson then officially dedicated the new chancel and aisle rug, given in memory of Ben Anderson by his wife, Hannah. A remodeled altar was also dedicated.

Following a second hymn, Mrs. Anne Smouse spoke on the liturgical significance of the paraments which are being made by women of the Altar Guild. The green paraments were furnished for the dedication while the red, violet and white will be finished in future months. Each of the colors is a reminder of the purpose and work of Christ. Altar Guild women will see that the paraments are changed to meet the seasons of the church year.

The paraments are a memorial to Mancel Townsend who had been baptized and confirmed at Valby in the spring of 1962.

Following the hymn, "The Church's One Foundation," members recessed to the front of the new parish unit for its dedication. Mrs. William Rawlins gave a challenging talk on the need of Christian education in the church and homes to help them stand against "isms" which seek to undermine and destroy our nation, chief of which is communism.

After a responsive prayer of dedication, the congregation sang the closing hymn, "A Mighty Fortress Is Our God," the battle-hymn of the reformation. The benediction by the pastor ended the dedication service. The eventful day was concluded with coffee and fellowship by members and friends in the new parish unit.

### Ralph Piper Hurt In Auto Mishap

Ralph Piper, 22, was injured in a one-car accident on the Heppner-Lexington highway, seven miles north of Heppner, Saturday afternoon.

A tire apparently blew out, causing him to lose control of the car on the curve. He was thrown clear of the open convertible which rolled over several times before coming to rest in a ditch upside down.

Piper is a patient in Pioneer Memorial hospital with pavement burns and abrasions on the left arm and shoulder, and laceration on the scalp. According to the doctor's report, he is progressing satisfactorily.

reappraisal program, matched by the state. Another item of \$1400 was allowed for secretarial help on the reappraisal.

Mrs. Velma Glass, county health nurse, has tendered her resignation to the county court as of August 1 after serving eight years in that position. She plans to further her education in the field of health. She had received a salary of \$5600, and the new budget provides a salary for her successor at \$4800.

A request to increase the juvenile counselor's salary to \$3000 from \$1800 was not allowed and it remains in the budget at the lower figure. Juvenile court mileage and telephone was cut from \$815 to \$465.

In the welfare department, an increase of about \$2000 is noted to take care of the surplus food program that was instituted during the last fiscal year on a cooperative basis with the state.

Among miscellaneous county expenses, an item for insurance is increased from \$3400 to \$5000 because the county has accepted Blue Cross health and accident program and pays a portion of the group plan.

Included for the first time this year is a \$1000 item for park fund. This was added at the request of some organizations and citizens for us in maintaining and improving parks in the county.

Under the general road fund, expenditures are listed at \$227,800 as compared with \$183,590

## Partlow in Favor Of 'Less Animosity'

Roy Partlow, one of two candidates for a district R-1 school board position from Boardman, visited at the Gazette-Times this week in reference to his candidacy. He is opposed for the single position from Boardman by Ralph Skoubou.

Both men have lived in the county all of their lives, and they are good friends. Each is a farmer. Partlow has an irrigated farm, specializing in pasture, hay and cattle.

Partlow says that he is convinced that the school system can be operated with less animosity than in the past and will work to that end if he is elected. He served on the old Boardman school board for three years and has been on the advisory board at Boardman since reorganization. Skoubou is also a member of the advisory committee and is on the county school budget committee.

Partlow has served on several county committees, other than schools, including the ASCS committee of which he presently is a member. He has four children in school ranging from the fourth grade to college. His oldest daughter will go to Eastern Oregon college in the fall after graduating from Riverside High this spring.

Mr. and Mrs. Roy Williamson and family returned Saturday from a two-week vacation trip. They motored to Montezuma, Iowa, where they visited Mr. Williamson's parents, Mr. and Mrs. James Williamson, with a brother, James, and sisters, Joan Williamson and Mrs. Everett Freeborn. They returned by way of Yellowstone Park, experiencing nice weather and traveling conditions.

## Girls' State Week Proves Exciting To 4 Delegates

Mrs. Frank Hamlin and four girls from Morrow county returned last Sunday from a week of excitement and learning at Oregon Girls' State held each year at Willamette University in Salem. Girls attending were Marti Dixon and Jennifer Brindle, Heppner; Arleta McCabe and Dolores Emert, Ione.

This annual event is sponsored by the American Legion auxiliary, and a staff of auxiliary women work tirelessly with the 258 girls and without pay. Mrs. Hamlin was a senior counselor with duties of assisting the government leader, looking after the girls, and helping them to get to their meetings and other appointments.

The girls learn first hand the workings of government from the city level to the state level. They are divided into groups and two parties with cities and counties. Candidates are chosen and run for office in the various levels. The highlight is the election of the state governor. The girls also hear speakers each day telling of the government workings and laws. Speaker of the House Barton and Mrs. Hattie Kremen, Marion county district attorney, were two of the speakers.

They also visited the Capitol building several times and were guests at the governor's mansion for tea Friday afternoon. These outstanding upcoming high school seniors learn their duties as citizens, are urged to go on to better and higher ideals, and that voting is a privilege all should enjoy.

All is not work at the Girls' State week. They have a talent night on one evening in which the girls participate and the climax of the week comes on Saturday evening in the Rotunda of the Capitol building as the girls present the candlelight service. Each girl carries a lighted candle and she is dressed in white blouse and dark skirt while performing during the singing ceremony.

Mrs. Hamlin said it was a strenuous week but she was very happy to have been selected as a senior counselor. She went on to say the girls make lasting friendships and leave with happy memories.

Mr. and Mrs. William Thomas and Mr. and Mrs. Fred Parrish went to Walla Walla, Wn., Sunday on a Father's Day trip after stopping in Pendleton to attend church. They enjoyed dinner at the Marcus Whitman hotel and stopped by to see the pea harvest in full swing.
