**Local Couple Exchange Marriage Vows At Church Candlelight Ceremony June 15**

Miss Jeanne Schmidt, daughter of Mr. and Mrs. Elmer Schmidt, and David Oliver Creswick, son of Mr. and Mrs. Oliver Creswick, all of Heppner, exchanged their marriage vows at an impressive summer ceremony Saturday, June 15 at 2:00 p.m., at Hope Lutheran church.

The double ring ceremony was performed by the Rev. Kenneth Robinson before an altar decorated with baskets of pink and white gladioli and baby breath, banked by white tapers in candelabra. Pews were marked with pink and white ribbon bows.

The bride, given in marriage by her parents, and escorted to the altar by her father, was lovely in a white brocade satin gown fashioned with long pointed sleeves, Sabrina neckline and bouffant skirt styled with bustle-effect fullness in the back. A seed pearl tiara crown held in place a finger tip veil of illusion net. She wore a pearl necklace and, for the traditional borrowed and blue, a blue garter. She carried a bridal cascade of white roses and stephanotis.

Matron of honor was Mrs. Duane Gentry, sister of the groom, of Milton-Freewater. Bridesmaids were Misses Sandi Davis of Irrigon, and Judy Schmidt, sister of the bride. The attendants wore matching dresses of pink brocade with bell-shaped skirts, pink ring hats of brocade with short net veils trimmed with simulated pearls, white gloves and shoes and carried pink carnation and rosebud bouquets with trailing pink streamers.

Lighting the candles were Deborah Gentry, niece of the groom, dressed in pink polished cotton jacket dress with pink net headdress, pink carnation wristlet and white accessories, and Bobby Peck, in dark pants and white jacket with pink carnation boutonniere.

Flower girl was Denise Gentry, niece of the groom, wearing pink nylon with white wide brimmed hat, and carrying a nosegay of pink carnations surrounded by rosebuds.

Dave Schmidt, brother of the bride, attended as ring bearer, wearing a white suit with pink boutonniere, and carrying a white satin and lace ring pillow.

Organist was Mrs. Gerald Jonasson, who also accompanied Mr. Creswick, father of the groom, when he sang the numbers, "Wedding Prayer" and "O Perfect Love."

Serving as best man was Ron Creswick, brother of the groom. Ushers were Don Creswick, brother of the groom, and Duane

NOPE, I didn't get done painting. Do we ever completely finish? Anyhow, I did get it going good, and now back at the typewriter and thoughts. How did your vacation go? The weatherman cooperated and from all reports everyone had a good time.

**SPEAKING OF vacations, the R. G. Watkins** went to the Vancouver, B. C., area and said it was beautiful. Flossie said the travel folder pictures of Canada are true. It really is a beautiful country! The 4-H kids vacationed by attending the camp at Cutsforth park and what a time they had. They were all plenty tired when they got home and said the time really flew by. The nights were a little chilly. In fact, two boys jammed into a single-size sleeping bag! How?

**CATCHING UP on the Friday afternoon pinocle club news:** All of the gals were present for play on June 29 at the home of Doris Watkins. Millie Evans won high; Mary Harris, low; Carrie Becket and Hannah Anderson ended winning the pinocle. Others playing were Beulah Mankin, Gladys Becket, Pearl Wright. The next Friday, Janina Johnson and Ann Fehmerling filled in for Doris and Millie. Hannah won high for the afternoon, Pearl was low, and Ann and Hannah won the pinocle. Looks as though Hannah had two good days of pinocle!

**DID YOUR family see any fireworks displays** over the Fourth? We took our youngsters plus two extras to the very good display at Lone. Hope they don't disband this event which helps make us aware of the Fourth of July.

**HOW DOES your family like ice cream?** If our family is an example it seems we consume gallons of ice cream. And how true that is! According to the latest USDA report the average person in the United States consumed 15 quarts or nearly four gallons of ice cream a year. For our family that is 20 gallons a year!

**CHERRIES FROM The Dalles and Hood River** are appearing on the market but the price is rather high with not many signs of dropping as the crop is light this year. Beef prices will show a slight increase, and for those who enjoy salmon now is the time to take advantage. The sil-

ver salmon are plentiful and the price ranges from 49c to 69c. Salad greens are plentiful and low priced, use often for a cool salad. The first local green and wax beans are beginning to arrive in the markets. Shop your stores' specials for best buys.

**HERE ARE a few tips** to pass along: Ever tried peeling a hot potato? To solve the problem, first score the raw potato around the center, then boil in salted water until done, spear each spud with a fork in the score mark, and start peeling with a knife! Want to make a colored layer gelatin salad? Pour mixed gelatin in mold or pan up to desired depth, chill until almost firm, add another layer of different color, chill as before, and add as many layers as you wish. It makes a very colorful dish and you may add fruit in each layer as you desire. For home-made whole kernel creamed corn: cut corn from cob, holding knife at easy angle and scrape cob; put 2 tablespoons butter or margarine in skillet, 1½ cups cut corn about 5 ears), ½ cup light cream, 1

tablespoon sugar, ½ teaspoon salt, and dash of pepper. Cover and simmer 6 to 10 minutes (stir occasionally).
