## Little Leagues Lose in Playoffs, Finish Season

Little League summer baseball play ended Friday and Saturday night when the All-Star team competed in area tournament play in The Dalles. The Willow Creek team lost both games, on Friday night to The Dalles Westerns, 10-1, and Saturday night to The Dalles Americans in a closer battle, 11-8.

The Dalles Western team went on to win the area championship from the defending champs, Deschutes, 8-4. They will meet Ontario in The Dalles this weekend. In the game at The Dalles Friday night The Dalles Western team had too much hitting for the local lads and their pitching held the Willow Creek team to only one run on five hits. Kent Pratt started on the mound for Willow Creek but was relieved in the top of the fifth by Bill McLeod who finished the game. They allowed 10 runs on nine hits, three walks, and 10 strikeouts. Kent got two singles to lead the hitting for Willow Creek.

In the consolation round Saturday night The Dalles Americans took a decisive lead early in the game, and led 9-2 after two innings of play. In the bottom of the third the Willow Creek team found its mark as they bombed away for five runs on four hits to close the gap, 9-7. The Dalles went on to pick up another counter in the fourth and one in the sixth while holding Willow Creek to one run in the sixth.

Gary Kemp started for the Willow Creek boys with Larry Pettyjohn coming in to relieve in the top of the second and finish the game. They gave up 11 runs on 13 hits, five walks, and no strikeouts. Bill McLeod, Kent and Kevan Pratt, and Kemp each got two hits. Terry Prock, Kit Anderson, Bill Baker and Larry Pettyjohn each singled. Each boy on the All-Star team was given a Little League pin at The Dalles and each received an All-Star cap from the local Little League association.

In League play here last Wednesday and Thursday the Braves set another record as they won their 16th game while losing only two during a season of play. They defeated the Dodgers 7-4 in a fast moving game. The Braves opened up the scoring with four runs in the first and one in the second to lead, 5-0. The Dodgers picked up four runs in the bottom of the second for their only score of the game while the Braves managed one run in the fourth and one in the fifth to win. Kelly Green, Larry Bellentrock, and Kevan Pratt handled the pitching for the winners, giving up four runs on four hits, eight walks, and six strikeouts. Bill Baker went the distance for the Dodgers, allowing seven runs on nine hits, six walks, and three strikeouts. Kent Pratt and Bill McLeod knocked in the 19th and 20th homeruns for the Braves this season.

The Indians ran roughshod over the Giants in the last game of the season, 20-7. The Giants got the first score in the top of the first but from then on the Indians scored in each frame while holding the Giants to one run in the fifth and five in the sixth. Pat Kilkenny and Frank Halvorsen pitched for the Indians, allowing seven runs on five hits, 10 walks, and five strikeouts. The Giants used Rocky Stephens, Ron Flug, and LaVerne Van Marter on the mound. They gave up 20 runs on 13 hits, including a homerun by Keith Nelson.

In second half action the Braves finished first with a 7-2 record; the Indians and Giants tied for second with a 4-5 record; and the Dodgers were in fourth with a 3-6 record. In overall season play the Braves finished first with 16 wins and 2 losses; the Indians, 9 wins, 9 losses; the Dodgers, 6 wins, 12 losses; and Giants, 5 wins, 13 losses. This was the year for homeruns, with the Braves getting 20, the Indians 10, and the Giants and Dodgers each two. Some of the games were wild scoring and others were pitching duels with many good fielding plays.

League President, LaVerne Van Marter asks all players to turn in their uniforms to their managers as soon as possible and asks that they be laundered but they need not be ironed.

Bess Huddleston returned Sunday from a three week's trip to the mid-Western states.

MISS JANICE GUMPRECHT began her work as 4-H extension agent in Umatilla county last week and is busy getting ready for the Umatilla County Fair August 14.

## School Personnel Urged to Appear Aug. 7 for X-Rays

Teachers, administrators or any non-certified personnel who will be employed in the Morrow County School District for the coming year are requested to take their chest X-ray tests at the next regularly scheduled date, Wednesday, August 7, at Pioneer Memorial hospital, according to Mrs. Jack Barak, president of the Morrow County TB and Health Association.

It has been the experience of the hospital technicians that too many in the district needing the tests have waited until September to appear. This makes too heavy a load on the hospital's X-ray machine and technicians, Will O'Hara, hospital administrator, has found. Cooperation by as many as possible to appear on the date of August 7 will be appreciated by the staff.

A recent contribution was made by the county health association, according to Mrs. Barak, when the association helped sponsor a scholarship for a teacher delegate in this area to attend a recent youth smoking clinic in Portland. Report of this is expected at one of the fall meetings.

## Small Buildings Burn On Hermann Ranch

Fire in the outbuildings at the Fred Hermann ranch near Lone was discovered Friday afternoon while the Hermanns were away from home. Brought under control by quick response of the lone fire department, neighbors and friends, it was kept from spreading to the house and grain areas.

The fire was first noticed by Mrs. Charles Doherty as she passed by the Hermann place about 4:30 in the afternoon. She turned in the alarm to the department and called in help to fight its spreading by the moderately strong wind. Mr. and Mrs. Hermann were in La Grande visiting their daughter and family, Mr. and Mrs. Harlan Crawford, returning home late Saturday. They were shocked to find the loss of the small buildings, but very grateful to Mrs. Doherty and all those who aided in preventing more serious losses. Cause of the fire has not been found.

WAVING TO TRI-CITY CROWD, Umatilla County Fair Queen Gloria Last sits on the hood of a convertible in the parade of the Pasco Water Follies Saturday as Mel Hirning, Hermiston Jaycees, guides the vehicle. Seated behind him are Princesses Patti Hudemann, Eileen Pott, and Carol Holden. (Lyons photo)

Answers Your Insurance Questions

QUESTION: In connection with this comprehensive personal liability insurance, I wonder if you can tell me if a property owner is always liable for damages in accidents that happen on his property.

ANSWER: Of course not. Only a court can decide whether or not a person is legally liable for an accident. The insurance you mention is carried by people to cover their legal liability—if any—and to pay the cost of defending suits that may be brought against them.
