RETURNING WITH COLORFUL souvenirs of eight pleasant weeks in the Hawaiian Islands are Misses Michelle Morrison, Marilyn Morgan and Geraldine Morgan, all of Ione. The girls were members of the College Campus group, attending summer sessions at the University of Hawaii.

Hawaiian Tour Exciting For Three Ione Girls

IONE—Misses Marilyn Morgan, Geraldine Morgan and Michelle Morrison arrived at Portland airport Friday, August 3, from a most exciting eight weeks in Honolulu, Hawaii, where they attended the summer session of the University of Hawaii. The trip was under the sponsorship of the Howard Tours, which included all ages divided into five sections. The girls, among 76 students from Oregon, were members of the College Campus group. Every state in the union was represented in the student body except Vermont, as were several foreign countries. The students attended classes all morning and then had free afternoons, which included at least two educational tours a week. Among the interesting things they did were to take the traditional complete Circle Tour of the island, visit to Pearl Harbor, Tripler General Hospital, Kaiser's new housing development, Koko Head Tour, and Waikiki Aquarium. They saw the Foster Botanical Gardens, Punch Bowl National Cemetery, a pineapple factory, Scofield Air Base and a privately conducted tour of the secret base at Kola Kola Pass, which the average citizen never sees. The girls tried surf riding, took a sailing trip on a Barkentian cruiser, took a catamaran ride, a ride in an outrigger canoe and attended hula beach parties. Other entertainment planned for them included cultural shows of Japan, Polynesia, and the Philippines, which included

dances and stage shows. The girls were invited to a luau dinner with the traditional roast pig, poi, roast bananas, and raw fish and other delicacies. They also went to several churches, one in which only Hawaiian was spoken, and visited the Buddhist Temple, Mormon Temple and Iolani Palace. Michelle and Geraldine took one day to fly to Kauai and visit that island. Marilyn had the pleasure of attending a Japanese wedding reception, where the bounteous buffet was served on low tables and the guests sat on cushions on the floor. She also went to a Bon dance, when the Buddhists honor their dead, and attended a Japanese movie, where the Japanese language was used entirely.

Mr. and Mrs. Jodie Morrison and girls, Mr. and Mrs. Lloyd Morgan, and Mrs. Milton Morgan and Rollo Crawford were on hand with several others from Ione to greet them when the girls arrived by jet early Friday morning.

Mrs. Amanda Duvall had as her guests the past few days her cousins, Mr. and Mrs. Joe Norton of Baker, her nephew and wife, Mr. and Mrs. Lloyd Waid of Ukiah, and her nephew, Jim Waid of Portland. Jim Waid returned just recently from France where he has been teaching the past two years in the Government High schools. Mrs. Julia Lloyd of Springfield, Mo., is also a house guest of Mrs. Duvall.
