## Free Water Ski Show Set For Labor Day

The annual Yacht Club Water Ski Tournament, held on Labor Day each year at Hat Rock State park near Hermiston, is expected to draw a lot of entries and excitement again this year.

The day will start with a boater's breakfast served at the Yacht club between 7 and 11 a.m., and open to the public.

The ski show, free to the public, is scheduled to begin at 3 p.m. Parking space will be provided at Hat Rock grounds, as no parking facilities are available at the Yacht club.

Those planning to participate in competitive events from this area are Tom and Linda Helmbigner; Joe, Mark and Frank Halvorsen, doing stunts not even a part of the nationally famous Bartlett show which performed at the World's Fair in Seattle last summer.

Souvenir programs, containing pictures of performers, will be on sale for 25c, only cost other than the breakfast, directly connected with the show.

## Huckleberry Crop Reported as Good

The huckleberry crop on the Mt. Adams forestry district is quite good this year, Roger S. Stamy, ranger, reports. "We did not have a freeze and the berries are ripening rapidly in the lower elevations. Picking is becoming pretty general in these areas," he said.

At Baby Shoe, Midway, and other higher elevations, the berries are beginning to ripen and some picking should be in about two weeks. The peak of the berry season is usually over Labor Day week-end, but this year the next week-end will no doubt be as good.
