**lone Man Rapped On Three Counts**

Patrick C. Doherty of Ione was fined and sentenced to a jail term when he pleaded guilty in Heppner justice court Saturday to three charges against him.

Justice of the Peace Oliver Creswick ordered a sentence of 90 days in jail for driving while his operator's license was suspended, and sentenced him to 90 days in jail or a fine of \$500 for driving under the influence of intoxicating liquor. A third charge, being drunk on a public highway, resulted in a for-

feiture of \$75 bail that Doherty had posted.

Arrest was made on September 13 by State Police Officer Jim Gordon upon complaint of a private individual, Creswick said. Others also reported seeing the defendant driving on the highway between Heppner and Ione in erratic manner, narrowly missing cars in Lexington, the justice of the peace said.

Doherty's name was also ordered by the justice of the peace to be placed on the state interdictory list.

Money receipt books in duplicate and triplicate are on sale at the Gazette-Times.

**Couples Attend  
Salt Lake Conclave**

Mr. and Mrs. Al Lamb and Mr. and Mrs. Paul Jones returned over the week-end after attending the Western States Democratic conference at Salt Lake City, Utah.

While there, they met Secretary of Agriculture Orville Freeman.

The Heppnerites made the trip in separate cars to allow for different schedules. Jones was suffering from an ailing back in the latter stages of the conference and still was troubled with it after arriving home.

**Some of our stockholders work at night**

Communist workers must find it very hard to understand that an American can be an employee and also an owner of the business.

For instance: All Standard Oilers who are 35 or older, and have 5 years of service, may invest a portion of their pay in Standard shares if they wish, through monthly deposits in our Employee Stock Plan.

The Company adds a contribution, which has averaged

more than \$1.50 for every \$1.00 deposited by employees. When a Standard Oiler retires, dividends from his accumulated stock add to his other retirement benefits.

The Employee Stock Plan is now the largest single holder of Standard Oil stock.

Yes, the husky fellows on that night drilling crew are Standard Oil stockholders. They own a piece of the Company, and share in its profits.
