

Boardman Girl Weds in Portland

By MARY LEE MARLOW
BOARDMAN—Miss Toni Marie Taylor, daughter of Mr. and Mrs. Algy Taylor of Boardman, became the bride of Eugene Franklin Gott of Portland, in a 2 p.m. double-ring ceremony in Portland Saturday, September 21. The candlelight service was performed at the Laurelwood Methodist church.

Given in marriage by her father, the bride wore a floor length gown of white chiffon tulle skirt over white satin, and nylon lace bodice with round neckline and long sleeves. Her finger tipped veil of illusion net was held in place by a pearl tiara. She carried a bouquet of white roses.

Following the ceremony a reception was held at the church. A four tiered cake was served.

For going away the bride wore a gold brocade dress with white accessories.

The bride attended Boardman grade school and Riverside High school.

After a trip to the coast the couple will live at 1734 S. E. Delmont Street in Portland.

First Extension Lesson on Rolls

There will soon be the fragrance of freshly baked rolls all over Morrow county, predicts Esther Kirmis, Morrow county extension agent, as the first unit lesson for the new year will be "Fun With Rolls."

Project leaders from all over the county are meeting this Thursday and Friday in Heppner and Irrigon to prepare for this class in their local communities, explains the agent.

Mrs. N. C. Anderson, well-known Heppner bread maker, is helping Miss Kirmis train these leaders. Making rolls is one of the easiest kinds of baking, once you've had a little practice, explains Mrs. Anderson. Kneading dough and shaping it into different kinds of rolls is an enjoyable art, she adds.

The Heppner housewife will also work with this new frozen bread dough that has just come on the market this summer, notes the agent who will fill the women in on the history of bread making and its nutritional value.

Here is the October schedule. (Contact the unit chairman as to time and place).

October 2—Rhea Creek Extension unit, Mrs. Albert Wright, Heppner.

October 3—Ione Extension unit, Mrs. Kenneth Palmer, Lexington.

October 8—Heppner Extension unit, Mrs. R. G. Watkins, Heppner.

October 9—Pine City Extension unit, Mrs. Willard French, Echo.

October 10—Irrigon Extension unit, Mrs. Mary Adams, Irrigon.

October 15—Boardman Extension unit, Mrs. Earl Briggs, Boardman.

Intercepted Pass Brings Mustangs Win Over Condon

Tim Driscoll's interception of a Condon pass, followed by his 80-yard run to score, brought the margin of victory to Heppner High school's football team when they defeated the Blue Devils at Condon Friday afternoon, 12 to 7. The interception occurred in the fourth quarter when the Mustangs trailed Condon, 7 to 6, after a hard-fought contest.

At the start of the game, it appeared that it might be a walk-away victory for Heppner, but this was something that the Blue Devils quickly disproved.

Heppner kicked off to open the game and immediately recovered a Condon fumble on the kickoff. On the second play from scrimmage Lee Padberg carried 45 yards around right end for a touchdown. The conversion try failed.

But the Blue Devils came right back. After they took the kickoff, they ran two plays after which Bill Barnett received a pass from Rod Myers and rambled 35 yards for a tying touchdown. Myers put the home eleven in front when he ran the point.

The score stood at 7-6 through the second and third stanzas. Heppner racked up yardage, but untimely penalties kept the team from scoring. It was not until Driscoll intercepted the pass that the ball game was tucked away for the Mustangs.

In winning, the Heppner eleven made 16 first downs to Condon's 10 and the Mustangs rolled up 361 yards to Condon's 191.

Coach Jim Sutherland said that he was impressed with the improvement of the Mustangs' defense over that displayed against Enterprise in the 20-0 loss a week earlier. The offense also moved better than in the first game.

For individual performances he cited Daryl Dick, David Hanna, Richard Clark, Padberg, who was impressive both on defense and offense, and Larry Muesig for his good hard running.

The victory evened Heppner's record for the year at 1-1.
