

LOOKING ROUGH AND TOUGH despite his rather light weight, 155 pounds, John Cole, senior, is regular center on the Heppner High football team. Only 5-7, John can hang in there with the best of them.

Mustangs Tip Rockets In Close Game Here

Heppner's grid warriors proved tenacious and refused to give in Friday night as they ground out a 20-14 victory over the Pilot Rock Rockets in Greater Oregon league action on the Heppner field.

The win kept the Mustangs in a first-place tie with Burns for league honors. Coach Jim Sutherland's charges scored in every quarter but the second on their way to this all-important victory. The Horsemen took the opening kick and marched all the way on the ground to their first score of the night. The tally came when Lee Padberg rolled over from the 3-yard line.

The Rockets churned right back to tie the count in the second quarter. The Pilot Rock eleven took a Mustang punt and powered to their first counter of the evening. The drive was climaxed by a 15 yard pass from the arm of quarterback Bob Wilson which found Bob Hamilton waiting in the end zone.

The remainder of the half was a defensive struggle with both clubs turning in commendable performances. When the teams went to their half-time briefings the score stood at 7-7.

During the intermission, the fathers of the Heppner players were honored by being introduced to the spectators. Also, the girl's drill team of Heppner High entertained the crowd with some well executed maneuvers.

After the rest break the Rockets roared ahead by scoring late in the third period. The Pilot Rock scoring drive started when the alert Rocket defense jumped on a Heppner fumble on the Mustang 12-yard line. From this point the Rockets drove the distance with Bob Wilson rolling around right end for the final two yards.

The Pilot Rock counter put the Mustangs in the hole but the Heppner club galloped back in the closing minutes of the same period and knotted the score after a 60-yard march when Padberg smashed off tackle for eight yards and the score. Padberg added his second PAT of the game when he plowed through the middle of the bewildered Rocket line, and the score was 14-14.

The fired up Horsemen struck again in the opening moments of the fourth quarter when Padberg again proved the man of the hour and breezed around right end for 30 yards and another score. The extra point try was foiled as the Rocket defense stiffened and the count stood at 20-14 in favor of the Mustang eleven.

Twice in the final period the

Pilot Rock gridders drove close to the Heppner goal line. Both times the stalwarts from Heppner weathered the threat and stopped the drives. The first threat ended when Padberg picked up a loose ball on the Heppner 19 and the other was ground to a halt by the hard-nosed defense of the Mustangs.

The win was the best effort the Mustangs have turned in for the season and if the club continues in its present frame of mind it may spell trouble for the Burns eleven with whom the Mustangs tangle Friday at Burns.

There were many heroes for the home town team. Besides the tremendous rushes of Padberg, who was unbeatable both ways, Larry Muessig gave the crowd a fine show with his offensive rushes. Many times this Heppner back came up with the yardage needed in a tight situation. Heppner's entire line did a creditable job on both defense and offense. The blocking was crisp and the tackling hard and sure as the boys up front dug in and proved to be unbeatable. Dave Hanna, Greg Pierce and Daryl Dick were among the outstanding linemen for the home charges.

In the defensive secondary the Horsemen proved to be just as tough. Dean Robinson, Stuart Dick and Lee Padberg led this effort.

The Mustangs gained 258 yards and 13 first downs on offense while the Rockets were getting 174 yards and 7 first downs. In passing the Pilot Rock eleven completed six for 20 and the Heppner club hit on two of seven attempts.

JVs Stop John Day For Fourth Victory

Heppner's football JVs traveled to John Day Tuesday where they walloped the Grant Union JVs, 27-13 to end their football year undefeated with a 4-0 record. It is the second straight year coach Bob Cantonwine's charges have gone unbeaten.

Scoring for the Baby Mustangs were Tim Driscoll with three TDs and Jim Jacobs who racked up one six-pointer.

Recent guests at the home of Mr. and Mrs. Joe Hartle were Mrs. Hartle's brother and family, Mr. and Mrs. Austin Montague of Portland. They did some hunting while here and returned home with a deer.

It pays to advertise in the Gazette-Times.

Grizzlies Fall to lone In Football Tussle

Ione's free-wheeling Cardinals used a controlled offense and a pair of tough frosh on defense to defeat the Helix Grizzlies, 25-7, Friday at Ione in Umatilla-Morrow league football action. The Cards jumped to an early lead in the first quarter and coasted to their fifth victory of the season against no defeats.

Ken Klinger opened the scoring for the Ione eight early in the period when he punched over from the three-yard line. The tally was set up when Tom Heimbigner fell on a Grizzlie fumble

on the Helix three. Klinger scored on the first play following the recovery. The try-for-point failed and the Cards led, 6-0.

The Redbirds picked up their second counter of the afternoon a short time later when Joe Halvorsen romped 10 yards to paydirt on an end sweep. The extra point try again failed and the score stood at 12-0.

The Helix club got their only points of the contest in the initial stanza when a 25-yard flip from the arm of Doug Harper found Andy Leisinger in the promised land. Harper ran the extra point, cutting the lone lead to 12-7.

From this point the Cards stiffened and settled down to the business at hand. In the second period they scored again when Mark Halvorsen ripped off tackle for 15 yards and six points. This time the try-for-point clicked as Tom Heimbigner faked a kick and appointed Mike Palmer in the end zone with a pass.

This concluded the scoring in the first half and the Cards left the field at intermission with a 19-7 lead.

The second half of action was mostly a defensive battle which saw neither team able to strike for points. The Cards finally counted six more in the final quarter when Ken Klinger got a TD on a well-timed sweep of 16 yards. The extra point attempt was foiled. This left the score at 25-7 when the final gun sounded.

Klinger accounted for 127 yards of the Card offense while Leon and Leland Magill turned in an outstanding defensive job for the Cardinals. The lone club accounted for 368 yards and 14 first downs and limited the Helix eight to 125 yards and 8 first downs.

The win set the stage for Friday's contest between the Cards and the Riverside Pirates in a game which will decide the championship of the Umatilla-Morrow league. The two teams are currently tied for the lead in the league.

The victory came at an expense to the Cardinals. Joe Halvorsen, a stalwart in the lone defense, twisted his knee and may miss the Riverside contest. Earlier the club lost the services of Bob Emert so their latest loss will further endanger their hopes of a title.

Pirates Plunder Umapine Chiefs In Scoring Show

Umapine's hapless Chiefs walked the plank in the face of Riverside's Pirates with a 54-0 drubbing in gridiron action Friday on the Riverside field. The Pirates scored freely in every period, using the game as a tune-up for their upcoming tilt with the lone Cardinals in a game which will decide the championship of the league.

Alan Hobbs started the ball rolling for the Bucs when he sped 60 yards to score. Shortly thereafter, Steve Partlow got into the act when he chugged four yards to paydirt. Both PAT attempts were good and the Pirates commanded a 14-0 lead. Just before the quarter break Partlow again stole the show when he raced 54 yards for another counter. This put the score at 20-0 as the teams lined up to start the second quadrant.

The Pirate onslaught continued in the second stanza as Partlow again hit the road. This time he galloped 55 yards to the end zone and another six pointer. Glen Schmeder and Dennis Cronquist teamed to get Riverside's final score of the first half. Schmeder lined a strike to Gronquist for five yards and the TD. Again both tries-for-point were good and the Bucs left the field with a 34-0 halftime advantage.

Following the rest break, the Pirates continued in their impressive ways as they zeroed in for three more tallies. The first came when Schmeder used his lethal arm and heaved a 13 yard aerial to Leonard Bedord. Jim Partlow added the next touchdown when he scampered 31 yards.

The Buccaneers ended their busy day of scoring in the final period. The six points were garnered on another aerial. This one was for six yards. The passer was Chet Phillips while Lyle Hobbs was on the receiving end.

For Your Protection

Turner, Van Marter and Bryant Answers Your Insurance Questions

QUESTION: We know of some people who had a small fire in their kitchen but it got into the walls and the firemen had to tear off most of the clapboard exterior to put it out. Is the damage done by the firemen covered by their fire insurance?

ANSWER: Yes, any damage done by the firemen fighting a fire is covered by the standard fire insurance policy.

Ponies Take Second Victory Of Season; To Play Ione Here

With two wins in a row after two defeats, the Heppner Junior high Ponies are looking for revenge over the lone team here Friday afternoon. The Heppner club romped over the Arlington graders easily there Friday by a 20-0 score with four TD's called back because of penalties. In the Arlington encounter Heppner kicked off to Arlington and held them on downs and the Ponies took over with Randy Stillman getting the touchdown and Kit Anderson pushing over for the extra point. The two teams fought back and forth until the second quarter when Steve Pettijohn recovered an Arlington fumble and the Ponies went on to score with David Hall carrying the ball. The half ended with the Ponies in front 13-0.

Hall again reached paydirt in the third period with Randy Stillman making the extra point. Coaches Tom Hughes and Clint Agee cleared the bench for the remainder of the game with both teams see-sawing back and forth. Heppner had the ball on the Arlington 30-yard line when the game ended.

The return game here Friday with Ione will be the last of the season. The two teams will tangle in the regular 4-quarter game and the seventh graders of the two teams will meet head-on for one quarter following the regular game.

Be glad we have plenty of food to share!

... and be glad our little citizens eat so well... that in America an hour's pay buys more food and clothing than it did 40 years ago... that farmers produce abundantly, even though they get only 37 cents out of the dollar you spend for food.

But will your children and grandchildren live so well a few short years from now? In just 20 years, say the experts, every farmer must produce for 50 people... twice as many as he feeds today.

He'll do it, too, providing he has plenty of low-cost electricity. As help becomes scarcer, he'll use more

electric power to do more of the jobs still done by hand. He'll flip a switch to feed more cattle and hogs, milk more cows, care for more chickens.

And supplying plenty of low-cost electricity is the job of America's Rural Electric Systems... built, owned, and operated by the people they serve so well.

Best of all, rural electricians pay their own way. Already, these systems have paid more than \$1 billion in principal and interest on their \$3½ billion REA loans... added proof that this is one of the soundest investments our Nation has ever made.
