You're surrounded by clean and quiet warmth

when you heat your home electrically. Every room is the exact temperature you wish. Flameless electric heat is as clean as sunshine itself—no grimy walls or drapes. And just as silent, too—no noisy furnace startups.

And think of the extra benefits you enjoy with electric heat! Less redecorating bills! No furnace maintenance costs! No wonder electric heat is becoming so popular, especially here in the Northwest where PP&L rates are far below the national average.
