

# Mustang II Kicks Moro In Grid Finale

Homecoming ended the Heppner Mustangs' football season in a sweet note as the Mustangs erupted for four touchdowns and walloped the Sherman Huskies 25-7 Friday night on the Heppner field. The Horsemen scored in every period to leave their season's record at 5 wins against 3 losses.

After an exchange of punts in the first quadrant, Lee Padberg started the ball rolling for the Mustangs when he burst through the center of the bewildered Huskies, cut on a dime and showed them his heels as he raced 39 yards to the end zone. Padberg bulled through the middle for the extra point and the Heppner gridgers were in command of a 7-0 lead.

Sherman couldn't muster enough yardage to mount an attack and was on defense for most of the period. Midway in the second stanza, Don Munkers caught the Huskies napping and rifled a pass to Stuart Dick on the Sherman 30-yard line. The play covered 60 yards. Two plays later Munkers repeated his performance and flipped another bullet to Dick on the 10-yard stripe. The Huskies tried to stiffen their defense against the aerial thrusts but it proved fruitless as Munkers followed the pass to Dick with another to Padberg who galloped in to score.

The rest of the period was a defensive battle that saw neither team able to dent the scoring column. At halftime, the Mustangs were sitting snug with a 13-0 lead.

During the halftime homecoming court was introduced to the large crowd which had gathered for the festivities. Ginny Moore, daughter of Mr. and Mrs. Tim Moore, was a picture of gracious charm as she was crowned queen of Heppner high school's 1963 Homecoming activities. She was presented with a corsage and a kiss by Captain Padberg of the Mustangs.

Miss Moore was accompanied by four equally charming princesses. The four princesses on the court were Barbara Blake, daughter of Mr. and Mrs. Bill Blake; Diana Fullerton, daughter of Mr. and Mrs. Roice Fullerton; Karen McCurdy, daughter of Mr. and Mrs. H. D. McCurdy Jr.; and Pat Van Winkle, daughter of Mr. and Mrs. Jack Van Winkle.

After the halftime presentations, the Mustangs continued their march to victory. Their next score came late in the third quarter when Muessig capped a long march by bolting over from the three. The try for point failed and the Mustangs led, 19-0.

The spirited Huskies, held to a minus two yards in the first half, were not to be denied. In the latter stages of the period they mounted a drive which

ended when Terry Eakin nipped Kent Thomas in the end zone for a TD. The PAT attempt worked and the Heppner lead was cut to 19-7.

Undaunted by the Huskie upsurge, the Horsemen gave the home crowd another TD in the fourth stanza. The six-pointer came when Munkers took the pigskin around end for nine yards. Again the try for point failed to click and the game ended with the Mustangs on top of a 25-7 score.

Statistically, both teams had four first downs for the game. In passing, the Heppner club hit four for seven and the Huskies garnered two for five. The game was marred in the fourth quarter when someone evidently found it amusing to turn out the field lights. The blackout came while a play was in progress and a Sherman player was injured. The incident was unfortunate and definitely left a bad light on an otherwise perfect game.

### Peck's Ski Shop To Open Friday

Peck's Ski Shop will reopen for the winter season on Friday, November 8, Ken Peck, owner, announces.

Location of the shop will be in the Case building, in the former quarters of the Heppner Flower shop. The shop will handle all skiing needs, including boots and clothing for the winter sports enthusiasts. Also the firm will be dealer this year for a line of ice skates.

Hours will be every afternoon except Sundays and Mondays. The store will also be open Saturday morning. Rental equipment is also available through the store.

## Ione Bops Fossil In Close Contest; Meet Bears Next

Ione's league champion Cardinals traveled to Fossil Friday where they were given a scare by the Falcons in a grid encounter. The Ione record for the season was better than the Falcons' but the Cards had to pull all stops to win the contest, 12 to 7.

Ione won the toss for the first time this season and elected to receive the kickoff. The Cards returned the kick and thus started a long day for themselves. They were unable to move the ball and gave it over to the Fossil eight who moved to a score and took a 7-0 lead in the game.

The Cardinals, mostly sophomores starting for the first time this season, dug in and refused to budge for the rest of the half. Although they put on a good defensive show for the first half, they were unable to find the scoring range on offense and the count stood at 7-0 in favor of the Falcons when the teams went to their halftime briefings.

The Ione defensive effort carried over into the third period and the Falcons couldn't deliver again on offense. The score remained at 7-0 as the teams started the last stanza of play.

In the fourth period the Ione offense began to click and set out to preserve their unbeaten string. The Cards reached paydirt with about eight minutes to go in the final quadrant. The score came on a 15-yard pass from Mark Halvorsen to Bill Klingner. Tom Heimbigner booted the ball in an attempt to tie the game with the PAT but his kick was blocked and the Falcons remained in a 7-6 lead.

With time running out and their victory string beginning to fade away, the Ione club put together another determined effort. They reached their destination and took the lead in the struggle with two minutes left when Halvorsen again found the range and hit Heimbigner in the end zone with an 18-yard toss. Again the kick was blocked by the stubborn Falcons and the Ione crew had a 12-7 margin which held up for their slim victory.

Halvorsen had a good day at the firing line and hit on seven of 11 in the passing department. On defense Leon and Leland Magill and Heimbigner turned in outstanding performances.

The Cardinals' next outing will be Friday when the travel to Mt. Vernon to meet the Bears in a game to decide the district championship.

## Ione Club Slated To Battle Bears In District Tilt

(Continued from page 1)

back with the markings of greatness. Klingner pulled up lame in the Riverside encounter, but it is expected that he will be ready to go against the Grant county club. Time and time again this Cardinal sparkplug has struck fear into the hearts of Ione rivals with his gallops into the end zone.

Teaming with Klingner in the Card secondary will be Mark Halvorsen, a pin-point passer who is capable of legging it himself. When the Ione ground attack is contained, Halvorsen opens the enemy up with his accurate bombs. Last outing, against Fossil, Halvorsen completed 7 for 11 through the airways.

The Ione defensive effort will rest largely in the hands of Leon and Leland Magill, a pair of freshmen who have been making their presence felt around the league this season. Both boys are capable of playing hard-nosed football and can hrow the enemy for huge losses. Another of the Ione defensive stalwarts is Tom Heimbigner who is a staunch performer whenever the Ione eight locks horns with its opponents.

A dark spot in Ione hopes is the loss of Joe Hausler. Hausler has been an asset to the club on both offense and defense, but he sustained a pulled muscle in the Fossil encounter and will be out indefinitely.

Commenting on the game, Ione Coach Dick Strait, said the Cardinals will put out with its best effort and that if they are at full strength the breaks should determine the game.

### Two Men Making Gains in Hospital

Harlan McCurdy Jr. and Harold Laird, both confined to Pioneer Memorial hospital with hepatitis, are showing good improvement and they hope to be home in the near future.

Laird entered the hospital about two weeks ago for an appendectomy and became ill with hepatitis while he was there. McCurdy was hospitalized for what was thought to be a case of ulcers, but this also proved to be hepatitis.

Both said that they are quite weak but otherwise are feeling good. They did not know when their doctor would permit them to go home.

Morning worship, 11:00 a.m.  
Evening service 7:00 p.m.  
Thursday evening, family services, 7:30.

## Wheat Leaders' Meeting Called

An executive committee meeting has been called for Tuesday, November 19, for officers and chairmen of the seven standing committees of the Morrow County Wheat Growers Association, according to Nels Anderson, secretary. The group will meet at Willows Grange hall in Ione, beginning at 9 a.m.

Main purpose of the meeting will be to get standing committees to draft recommendations and resolutions for the annual meeting of the Oregon Wheat Growers' League planned for December 5, 6 and 7 in Portland. Much interest was shown in the state meeting last year when about 50 interested persons from Morrow county attended.

Plans are underway to get a luncheon speaker of national importance to discuss the world wheat export program and some of its consequences and problems. An invitation is extended business men, as well as farm people, who are interested in becoming better informed on the foreign market program, to make plans now to attend the main luncheon and program.

**ST. PATRICK'S CHURCH**  
Rev. Raymond Beard  
Heppner  
Weekday Masses, 7:00 a.m.  
Sunday Masses, 7:30 and 11:00 a.m.

American Legion Hall  
Arnold Raymond, Br. President  
Priesthood meeting, 8:30 a.m.  
Sunday school at 10:30 a.m.  
Sacrament service at 11:30 a.m.

**ST. WILLIAMS CHURCH**  
Ione  
Rev. Raymond Beard  
Sunday Masses, 9:15 a.m.

**ALL SAINTS' EPISCOPAL CHURCH**  
The Rev. C. Bruce Spencer, Rector  
Holy Communion daily (except Mondays) 7:30 A. M., Sundays 7:30 and 10:00 A. M.

### Undergoes Surgery

Mrs. Bernard (Bud) Marshall of Heppner underwent surgery in St. Anthony's hospital, Pendleton, Monday for a colitis condition. Her husband said Thursday morning that she was able to be up for a short time Wednesday, and is making good progress towards recovery. Mrs. Marshall has been in the hospital for about two months.

## RURAL ELECTRIFICATION... private enterprise with a social conscience

In just 25 years, rural electrification has done more to revolutionize farming—while it brought city comforts to the country—than any other social or economic force.

Back of this progress has been the Rural Electrification Administration, created in 1935 to provide a source of long term low cost, financing for people like us.

As a result, over 1,000 locally owned and operated rural electric systems—much like ours—have built over 1 1/2 million miles of line to serve over 16-million. They have borrowed about \$3 1/2-billion from REA, and have repaid with interest over \$1.1-billion into the U.S. Treasury.

Like us, they try their best to "serve 'em all—near or far—large or small." This, we believe is an outstanding example of private enterprise with a social conscience.
