

Bears Crush Cardinals In District Playoff Tilt

Mud and a weight disadvantage combined to stop the Ione football team's bid for the district title in a Friday outing against the Mt. Vernon Bears at Mt. Vernon as the Cardinals dropped the contest, 34-13.

The Bears opened the game bent on victory and let their intentions be known on the second play of the game when Woods broke off tackle for 54 yards and the score. The conversion attempt was good and the Bears led, 7-0.

Ione found the going sticky on their first turn with the ball and couldn't score. The light Ione backs couldn't get their footing on the muddy field and were unable to dig in against the heavier Bears.

Late in the initial period the Mt. Vernon squad mounted a drive that carried them to another score. The PAT attempt was good again and the Bears widened their lead to 14-0.

With time running out in the first period the Ione eight got their first score of the day when Ken Klinger grabbed a pass from Mark Halvorsen and raced 30 yards to score. The point-after try was doomed by a bad snap from center.

When the teams lined up to start the second stanza the Mt. Vernon club held a 14-6 lead.

After fighting a scoreless battle for the bulk of the sec-

ond period, the Bruins again hit the scoring trail and marched down the field with a crushing ground attack. The drive ended when Woods crashed through the middle for the score. The conversion was no good and the Mt. Vernon club led, 20-6.

Ione scored with only a few minutes left before intermission when Halvorsen zeroed in with his talented arm and hit Bill Klinger with a strike. Klinger set out on a ramble that saw every man on the Mt. Vernon squad take a crack at him. Klinger refused to go down, however, and after the mud had cleared he was standing in the end zone at the end of a 54-yard jaunt. On the conversion attempt, Tom Heimbigner hit Ken Klinger and the Cards had narrowed the margin to 20-13.

In desperation the Ione club tried an on-side kick and recovered the pigskin. They immediately headed for the goal line on a sustained march but time ran out before they could reach their destiny. The score remained at 20-13 when the teams left the field at halftime.

After the rest break the Bears stormed out and garnered another pair of TD's through the air while the Cards couldn't mount an offensive.

The deepest the Cards could get in the last half was to the Bruin 20-yard line.
