

Mishap Injures Three Persons; Patrolman Hurt

David Proudfoot, 17, Echo, is charged with reckless driving following a two-car accident southeast of Heppner Sunday evening. The accident, which injured three persons, including Proudfoot, occurred about 4:45 p.m. Sunday evening approximately two miles from Heppner on the Willow Creek highway, according to Sheriff C. J. D. Bauman.

Those injured in the accident, besides Proudfoot, were Mrs. Betty Rood and State Officer Jim Gordon, both of Heppner. Gordon received a broken leg and a deep cut on the forehead. Mrs. Rood suffered facial cuts. Proudfoot also sustained facial lacerations. All three were taken to the Pioneer Memorial hospital for treatment. Mrs. Rood and Proudfoot were treated and discharged Sunday evening, but Gordon remained for treatment and was dismissed Monday.

Officer Gordon said that he was at the roadside checking hunters when the accident happened. He said that he had just stopped and checked Mr. and Mrs. Jerry Roods' pickup and was talking to them when he saw Proudfoot's vehicle coming up the road from town at an apparent high rate of speed.

Gordon said there was no time to sound a warning. He dove for the Rood pickup. Almost simultaneously, Proudfoot's pickup slammed into the Roods' vehicle and struck Gordon, throwing him into the middle of the road.

Gordon stated that the next thing he knew he was lying in the center of the road and was unable to move. Proudfoot's pickup came to rest on its top further up the road. Gordon commented that the lights of Rood's pickup were on low beam and that he, Gordon, had a flashlight in his hand which was shining on the road when the accident occurred.

Both the damaged vehicles were brought to town by a wrecker from Farley Motor Co.

Thieves Break Into Riverside

BOARDMAN—Riverside High school was broken into and entered sometime Friday night. Entrance was made by breaking the glass in the back door, then reaching in and unlocking the door. Glass was also broken on an inner door which would have gained entrance to the hall from which the office opens. This door was not opened, however.

The break-in was discovered by Principal Ron Daniels Saturday morning. He stated the thieves went to an upper floor and took three musical instruments from the band room when they did not get into the office.

State police are investigating and apprehended two young men who were occupants of a car which was wrecked between here and Irrigon Friday night. The three musical instruments missing from the school were in the car.

Mustangs Place Seven Gridders On Select Team

Heppner and Burns dominated the All-Conference selections of the Greater Oregon football league, according to word received Tuesday by Heppner High Coach Jim Sutherland. The Mustangs placed seven players on the select team. Six of the seven were named to first team berths and one was given an honorable mention rating. The players are chosen by the coaches in the league.

Heppner's Lee Padberg received more first place votes than any other player on the elite team. Padberg carried a bulk of the Mustangs' offensive load this season as a deceptive and hard-running back.

Larry Muessig, another of the Mustangs' pigskin packers, was named to their star backfield. Larry spent the past season keeping the opposing teams off-balance with his swift running tactics and his timely runbacks of punts and kickoffs.

Four Mustang linemen made the group: Dave Hanna, tackle, who terrorized the opposing backs with bone-crushing tackles and jarring blocks; John Cole, center, a rugged little player who blocked with the gusto of a player 30 pounds heavier; Don Creswick, guard, who gave the opponents concern with his blocking and tackling; and Daryl Dick, end, who was in the enemy backfield raising havoc so much of the time that he soon became a fixture there.

Garnering an honorable mention position on the squad was Don Munkers, quarter back. Munkers ran the Mustang club with precision and decisiveness. Padberg, Muessig, Cole, Creswick and Dick are seniors while Hanna and Munkers are juniors.

done to the school during the vandalism. So far as is known the damage was confined to paper being scattered in the halls of the building.

Harryman said that it has not been determined yet how the entry was made.
