When Buick builds a LeSabre-- Buick builds a high-priced car, and puts a low price on it.

Lots of cars are in LeSabre's price class, but that's where the resemblance ends. For instance: Does anybody else in LeSabre's class treat you to that gentle Buick ride or impressive Buick performance and new gas economy? No. And who else gives you 15-inch wheels, finned aluminum front brakes, extra cushioning for middle-seat travelers, and separate heat ducts and controls for the rear seat? Right again: Nobody in LeSabre's field but LeSabre. If all this makes you think a LeSabre would look awfully nice in your garage, you should see how nicely it fits a budget. You know who to see about it, of course: your Buick dealer. Who else? Above all, it's a Buick
